**SB 6665-S.E - DIGEST**

(DIGEST AS ENACTED)

Finds that the expansion and realignment of state route 167, which has been designated as a highway of statewide significance, is of vital interest to the state's economy. To ensure the free movement of people and goods along this corridor is a transportation priority, and the department of transportation shall plan and design an improved and expanded corridor from its intersection with state route 405 in the north to a new terminus at the Port of Tacoma via proposed state route 509 in the south.

Declares this act is null and void if new transportation revenues do not become law in 2002.
