Brief Description: Preserving essential government services in the event of catastrophic county revenue losses.

**SB 6679 - DIGEST**

Provides that, after receipt of a declaration of revenue emergency by a county legislative authority, the governor may proclaim a county revenue emergency in that county, draw upon the unappropriated amount in the state treasury, and pay for the essential government services set forth under this act.

Provides that, if the governor concurs that the county has a revenue emergency, the governor may proclaim a county revenue emergency and provide funds under RCW 43.06.010 (12)(b).
