Sponsor(s): Senators Gardner, McCaslin, Johnson, Hale, Spanel, Winsley and Kohl-Welles

Brief Description:

**SR 8630 - DIGEST**

Recognizes and commends the organization, Women In Government, for its leadership in such issues as creating public awareness, seeking to improve access for women to quality health care, technologies and treatments, educating researchers about gender differences, and working to achieve unimpeded access to women's health providers.
