2 By Representative Kenney

3 On page 2, line 6, after "shall" strike "require the
4 institution to submit the following information" and insert
5 "conduct an independent analysis using information from a variety
6 of sources"

7 On page 2, line 8, after "program" insert ", including but not
8 limited to information submitted by the institution. Such
9 information shall include"

10 On page 2, line 12, after "(b)" strike all material through
11 "place" on line 15 and insert "The feasibility of using existing
12 public or private capacity for the program and comparisons of the
13 state cost of providing existing and proposed capacity. Any
14 institution that offers programs under this section shall comply
15 with all applicable state rules and regulations"

EFFECT: Directs the HECB, when reviewing a proposal for a new program under this bill, to use information other than what is supplied by the institution proposing the program. Rather than a cost-benefit analysis, the HECB will examine the feasibility and compare the cost of using existing public or private capacity for the program.
