By Representative Morrell

1           On page 2, line 11, after "2005." strike the material through  
2 "collected." on line 14 and insert: "The tax imposed in this  
3 section expires on the earlier of: (a) the date when the bonds  
4 issued for the construction of the cultural center and related  
5 parking facilities are retired, (b) twenty years after the tax is  
6 first collected, or (c) the date when the cumulative total of taxes  
7 collected has exceeded eighteen million dollars."

**EFFECT:** Caps the tax for the cultural center at a total of \$18 million and reduces the number of years the tax may be imposed from twenty-five years to twenty years.
