By Representative Anderson

1           On page 194, beginning on line 22, strike everything after  
2 "state." up through and including "section." on line 26.

3           On page 194, line 27, strike "or" and insert ", ((or))"

4           On page 194, line 28, after "districts" insert ", or joint  
5 purchasing agencies as established in RCW 28A.320.080"

**EFFECT:** Removes language that would limit state reimbursement to school districts to those buses purchased from the state bid list or through a lowest-price competitive bid process. Adds language clarifying that joint purchasing agencies are not prohibited from conducting their own competitive bid processes for buses.

**FISCAL IMPACT:** None.
