

**2SHB 2769** - H AMD

By Representative Boldt

1           On page 4, beginning on line 16, after "income" strike "that  
2           would result in ineligibility for the benefit program"

**EFFECT:**   Changes the reporting requirement to require a recipient of the food stamp benefit program to report an increase in income between eligibility periods rather than only an increase in income that results in ineligibility.
