

1 **SSB 5028** - H AMD TO H AMD (5028-S AMH LINV H3096.2)  
2 By Representative McDermott

3 On page 2, line 4 of the amendment, after "RCW." strike all  
4 material through "problem." on line 8 of the amendment

**EFFECT:** Removes provision specifying that, with respect to a federally licensed hydropower project, the Department of Ecology may only require a person to mitigate or remedy a water quality violation or problem to the extent substantial evidence exists that the person caused the violation or problem.
