11 that will be required to produce the dollar amount; and the county

16 cemetery district proposition for a particular period, the dollar
17 amount and the corresponding estimate of the dollar rate of tax levy
18 shall be set forth for each of the years in that period. The dollar
19 amount for each annual levy in the particular period may be equal or in
20 different amounts."

21 Renumber the sections consecutively, correct any internal
22 references accordingly, and correct the title.

EFFECT: Requires multiyear levy ballot propositions state the
proposed levy amount in dollars. Estimated levy rates used on the
ballot will be finalized at time the tax is imposed.
