

1 **SSB 5787** - H AMD TO H AMD (5787-S AMH LINV DINE 142)
2 By Representative Santos **487 FAILED 4/18/03**

3 On page 1, line 25 of the amendment, after "(2)" insert "Before
4 moving any fill material that was previously moved to and
5 stockpiled on a construction site for subsequent use as fill
6 material at the site, the stockpiled fill material shall be sampled
7 in its current location in compliance with chapter 70.105D RCW and
8 soil clean-up rules adopted pursuant to chapter 70.105D RCW. Any
9 such fill material that contains constituents of concern above
10 natural background levels shall be removed from the construction
11 site and not used as fill material.

12 (3)"

EFFECT: Requires fill material moved to and stockpiled on a construction site to be sampled for compliance with the Model Toxics Control Act (MTCA) and its soil clean-up rules. Prohibits the use and requires the removal of any fill material with constituents of concern above natural background levels.
