3 On page 1, line 16, after "who" strike "graduated within the
4 past thirty days" and insert: "graduated:

5 (i) within the past thirty days; or

6 (ii) within the past sixty days and has received a
7 determination from the secretary that there is good cause to
8 continue the registration period, as defined by the secretary in
9 rule"

EFFECT: Allows a nursing technician who is a graduate of a nursing program to continue to be registered for up to 60 days by showing good cause to the secretary of health.
