

SSB 5178 - S AMD 44

By Senators Sheldon B., Fraser, Hewitt

ADOPTED 3/10/03

1 On page 1, beginning on line 8, strike all material down to and
2 including "capacity." on line 16 and insert the following:
3 "The legislative international trade account is created in the
4 custody of the state treasurer. All moneys received by the president
5 of the senate from gifts, grants, and endowments for international
6 trade hosting and missions activities must be deposited in the account.
7 Only private, nonpublic gifts, grants, and endowments may be deposited
8 in the account. Expenditures from the account may be used only for the
9 purposes of international trade hosting and international trade mission
10 activities, excluding travel and lodging, in which the president and
11 members of the senate and members of the house of representatives
12 participate in an official capacity."

--- END <

EFFECT: Clarifies that the legislative international trade account applies only to moneys received by the president of the senate, and not to moneys received by other state agencies. The moneys in the account may not be expended for travel costs.
