

SSB 5404 - S AMD 288

By Senators Zarelli and Fairley

4/4/03 ADOPTED

1 On page 39, on line 5, after "purpose." insert "To the extent that
2 the required expenditure level must be met by funding new services,
3 expansion of the high school transition program shall be the first
4 priority."

--- END ---

EFFECT: No fiscal impact. Directs the Department of Social and Health Services-Division of Developmental Disabilities to make funding the high school transition program a first priority within existing appropriations, to the extent that funding new services is required to meet federal maintenance of effort requirements.
