

SB 5632 - S AMD 224  
By Senator Eide

NOT ADOPTED 03/19/2003

1        On page 2, line 4, after "utility." insert "If an authority pays  
2 for the removal or relocation of a utility's facilities, the utility  
3 must provide a credit to the accounts of customers that are located  
4 within the authority's district. The credit must equal the prorated  
5 cost of removing or relocating the facilities."

EFFECT: Requires utilities that are spared the cost of removing  
or relocating utilities to share the benefit with rate payers.
