

SSB 6173 - S AMD 717
By Senator Fraser

2/17/04 WITHDRAWN

1 On page 3, beginning on line 13 delete "The departments of ecology
2 and fish and wildlife may not require an airport operating under the
3 authority of chapter 14.08 to engage in land uses that are incompatible
4 with" and insert the following:
5 "Regulatory decisions by the departments of ecology and fish and
6 wildlife regarding storm water and wetland mitigation resulting from
7 public-use airport development projects should be, to the maximum
8 extent allowable under federal and state law, compatible with safe
9 airport operations and"

--- END ---

EFFECT: Changes standard regarding consistency of mitigation plan with FAA recommended practices.
