

SB 6180 - S AMD 628

By Senator Franklin

ADOPTED 02/12/2004

1        On page 1, line 14, after "medical examination." insert "Genetic  
2 information" for purposes of this chapter, does not include (1) routine  
3 physical measurements, including chemical, blood, and urine analysis,  
4 unless conducted purposefully to diagnose genetic or inherited  
5 characteristics; and (2) results from tests for abuse of alcohol or  
6 drugs, or for the presence of HIV."

EFFECT: Clarifies definition of "genetic information" to exclude tests for abuse of drugs, presence of HIV, or routine physicals, etc.
