

SSB 6233 - S AMD 790

By Senators Doumit and Johnson

ADOPTED 3/4/04

1 On page 33, after line 23, insert the following:

2 "(7) Within the amounts appropriated in this section, in addition
3 to the projects authorized in RCW 39.10.051, during the 2003-05
4 biennium, three second class school districts may each use the design-
5 build procedure for a demonstration project valued between five million
6 dollars and twelve million dollars for the purpose of constructing an
7 integrated kindergarten through grade twelve single structure school
8 building. The project must receive approval from the school district
9 project review board established under RCW 39.10.115. Second class
10 school districts shall give weight to proposers' experience working on
11 projects valued between five million dollars and twelve million dollars
12 in the evaluation process for the selection of a design-build firm for
13 demonstration projects authorized in this subsection. The
14 superintendent of public instruction shall notify all second class
15 school districts when contracts for three demonstration projects under
16 this section have been entered into."

17 Renumber the sections consecutively and correct any internal
18 references accordingly.

« END ---

EFFECT: Provides for a demonstration project allowing three class II school districts to utilize a design/build procedure for a school construction project.
