Summary of Substitute Bill:

Beginning with vehicle registrations due or to become due in January 2005, the Department of Licensing (DOL) must issue a special license plate displaying a symbol denoting professional fire fighters and paramedics. Applicants must provide proof of membership in the Washington State Council of Fire Fighters (WSCFF).

An applicant for a professional fire fighters and paramedics license plate must pay an initial fee of \$40 and a renewal fee each year thereafter of \$30. The initial revenue generated from the plate sales must be deposited into the motor vehicle account until the state has been reimbursed for the implementation costs. Upon reimbursement, the revenue must be deposited into the Washington State Council of Fire Fighters benevolent fund account.

The DOL must enter into a contract with a qualified nonprofit organization requiring that the organization use the revenue generated by the license plate sales to disseminate funds for charitable purposes on behalf of members of the WSCFF, their families, and others deemed in need.
