HOUSE COMMITTEE ON TRANSPORTATION

Simpson, Vice Chair; Ericksen, Ranking Minority Member; Jarrett, Assistant Ranking Minority Member; Armstrong, Bailey, Campbell, Clibborn, Cooper, Dickerson, Flannigan, Hankins, Hatfield, Hudgins, Kristiansen, Lovick, Mielke, Morris, Nixon, Rodne, Romero, Schindler, Shabro, Wallace, Wood and Woods.

Background:

Currently, State Route 99 begins in Fife at a junction with State Route 5, thence northerly by way of Federal Way, Midway, Seattle, and Edmonds to a junction with State Route 5 in Everett. A proviso specifies that the portion of State Route 99 between Fife and Federal Way will be deleted from the state system when a new corridor for State Route 509 is completed from State Route 705 in Tacoma, via the Port of Tacoma, to Federal Way.

The Transportation Improvement Board (TIB) is responsible for annually reviewing

requests for transfers of road jurisdiction among the Department of Transportation (DOT), cities, and counties. Criteria for route responsibility is set forth in RCW 47.17.001. Decisions for transfer by the board are then referred to the Legislature in order for the transfer to occur. The City of Tukwila has requested that the portion of State Route 99 between State Route 518 in the vicinity of Tukwila and State Route 599 in the vicinity of Tukwila be transferred to local jurisdiction. In a 2002 review, the TIB recommended against the transfer.
