HOUSE COMMITTEE ON COMMERCE & LABOR

Majority Report: The substitute bill be substituted therefor and the substitute bill do pass. Signed by 8 members: Representatives Conway, Chair; McMorris, Ranking Minority Member; Condotta, Assistant Ranking Minority Member; Crouse, Holmquist, Hudgins, Kenney and McCoy.

Staff: Susan Kavanaugh (786-7106).

Background:

Employees in state-run and contracted Washington liquor stores are required to check the identification of a customer whenever there is a question of whether the individual is at least 21 years old, and so legally entitled to purchase liquor.

Identification must show the person's date of birth and include both a signature and a photograph. Liquor store employees are instructed to use the date of birth and photograph to

confirm age and identity. Employees of establishments licensed to sell alcoholic beverages, such as bars, restaurants, and grocery stores, follow the same procedure.

U.S. military identification cards issued to active duty, reserve, and retired military personnel and their dependents are among the officially issued forms of identification listed in statute as being acceptable for liquor store sales, and, in rule, as acceptable for licensed establishments.

The military recently adopted a new identification card that includes an embedded digital signature, rather than one which is visible.

Summary of Substitute Bill:

For the purpose of proving that an individual seeking to purchase liquor is of legal age to do so, military identification that has an embedded rather than a visible signature is an acceptable form of identification.

The Liquor Control Board may adopt regulations covering cards of identification.

Appropriation: None.

Fiscal Note: Not requested.

Effective Date: The bill takes effect 90 days after adjournment of session in which bill is passed.

Testimony For: This bill is helpful to military members, military retirees, and their families. This is a small but necessary change to allow those who sell alcoholic beverages to accept military identification. The lack of a visible signature is not a problem, as sellers look at only the birthdate and photograph to verify age and identity. The proposed substitute restricts rule-making authority to the forms of identification allowed by law.

Testimony Against: None.

Persons Testifying: Representative Hudgins, prime sponsor; and Rick Garza, Liquor Control Board.

Persons Signed In To Testify But Not Testifying: None.
