Sponsors: Representatives Haigh, Armstrong, McDermott and Miloscia; by request of Secretary of State.

Brief Summary of Bill

- Corrects statutory references and properly recodifies statutes amended during the 2003 legislative session.

Hearing Date: 1/23/04

Staff: Katie Blinn (786-7114).

Background:

During the 2003 legislative session, the Legislature passed SHB 5221 (chapter 111, Laws of 2003). The legislation reorganized the election statutes in Title 29, and recodified the new statutes into a new title, Title 29A. The legislation takes effect July 1, 2004. There is one statute, RCW 29.79.075, that was not included in the recodification. There are other statutes that were missed when the Code Reviser's Office corrected internal references within the Title.

Other bills pertaining to elections that passed during the 2003 legislative session include:

- HB 1106 (chapter 109, Laws of 2003), regarding the Secretary of State visiting county election offices;
- ESB 5374 (chapter 48, Laws of 2003), creating an election account for funds dispersed under the Help American Vote Act;
- SHB 1222 (chapter 110, Laws of 2003), regarding voting system accessibility for disabled voters;
- SSB 5218 (chapter 162, Laws of 2003), regarding procedures for absentee ballots; and
- HB 1351 (chapter 254, Laws of 2003), making technical corrections.

Qualification requirements for running for Congress are set in the U.S. Constitution, which has greater authority than state law.
