3 to chapter 84.36 RCW; adding a new chapter to Title 82 RCW; creating a
4 new section; providing effective dates; providing a contingent
5 effective date; providing an expiration date; and declaring an
6 emergency.

7 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

8 NEW SECTION. **Sec. 1.** Unless the context clearly requires
9 otherwise, the definitions in this section apply throughout this
10 chapter.

11 (1) "Alcohol fuel" has the same meaning as provided in RCW
12 82.29A.135.

13 (2) "Applicant" means a person applying for a tax deferral under
14 this chapter.

15 (3) "Biodiesel feedstock" means oil that is produced from an
16 agricultural crop for the sole purpose of ultimately producing
17 biodiesel fuel.

18 (4) "Biodiesel fuel" means a mono alkyl ester of long chain fatty
19 acids derived from vegetable oils or animal fats for use in

1 compression-ignition engines and that meets the requirements of the
2 American society of testing and materials specification D 6751 in
3 effect as of January 1, 2003.

4 (5) "Department" means the department of revenue.

5 (6) "Eligible area" means a county with fewer than one hundred
6 persons per square mile as determined annually by the office of
7 financial management and published by the department effective for the
8 period July 1st through June 30th, or a county that has a population of
9 less than two hundred twenty-five thousand as determined by the office
10 of financial management and has an area greater than two hundred
11 twenty-five square miles.

12 (7)(a) "Eligible investment project" means an investment project in
13 an eligible area.

14 (b) The lessor or owner of a qualified building is not eligible for
15 a deferral unless the underlying ownership of the buildings, machinery,
16 and equipment vests exclusively in the same person, or unless the
17 lessor by written contract agrees to pass the economic benefit of the
18 deferral to the lessee in the form of reduced rent payments.

19 (c) "Eligible investment project" does not include any portion of
20 an investment project undertaken by a light and power business as
21 defined in RCW 82.16.010(5), other than that portion of a cogeneration
22 project that is used to generate power for consumption within the
23 manufacturing site of which the cogeneration project is an integral
24 part, or investment projects which have already received deferrals
25 under this chapter.

26 (8) "Investment project" means an investment in qualified buildings
27 or qualified machinery and equipment, including labor and services
28 rendered in the planning, installation, and construction of the
29 project.

1 and research and development activities, including plant offices and
2 warehouses or other facilities for the storage of raw material or
3 finished goods if such facilities are an essential or an integral part
4 of a factory, mill, plant, or laboratory used for manufacturing or
5 research and development. If a building is used partly for
6 manufacturing or research and development and partly for other
7 purposes, the applicable tax deferral shall be determined by
8 apportionment of the costs of construction under rules adopted by the
9 department.

10 (12) "Qualified machinery and equipment" means all new industrial
11 and research fixtures, equipment, and support facilities that are an
12 integral and necessary part of a manufacturing or research and
13 development operation. "Qualified machinery and equipment" includes:
14 Computers; software; data processing equipment; laboratory equipment;
15 manufacturing components such as belts, pulleys, shafts, and moving
16 parts; molds, tools, and dies; operating structures; and all equipment
17 used to control or operate the machinery.

19 chapter.

20 (14) "Research and development" means the development, refinement,
21 testing, marketing, and commercialization of a product, service, or

25 product, service, or process do not exceed one million dollars.

26 NEW SECTION. **Sec. 2.** (1) Application for deferral of taxes under
27 this chapter must be made before initiation of the construction of the
28 investment project or acquisition of equipment or machinery. The
29 application shall be made to the department in a form and manner
30 prescribed by the department. The application shall contain
31 information regarding the location of the investment project, the
32 applicant's average employment in the state for the prior year,
33 estimated or actual new employment related to the project, estimated or
34 actual wages of employees related to the project, estimated or actual
35 costs, time schedules for completion and operation, and other
36 information required by the department.

1 (2) The department shall rule on the application within sixty days.
2 The department shall keep a running total of all deferrals granted
3 under this chapter during each fiscal biennium.

4 NEW SECTION. **Sec. 3.** (1) The department shall issue a sales and
5 use tax deferral certificate for state and local sales and use taxes
6 due under chapters 82.08, 82.12, and 82.14 RCW on each eligible
7 investment project that is located in an eligible area as defined in
8 section 1 of this act, if the investment project is undertaken for the
9 purpose of manufacturing biodiesel, biodiesel feedstock, or alcohol
10 fuel.

11 (2) This section expires July 1, 2009.

12 NEW SECTION. **Sec. 4.** (1) For the purposes of this section:

13 (a) "Eligible area" means a designated community empowerment zone

19 (c) "Qualified employment position" means a permanent full-time
20 employee employed in the eligible investment project during the entire
21 year.

22 (2) In addition to the provisions of section 3 of this act, the
23 department shall issue a sales and use tax deferral certificate for
24 state and local sales and use taxes due under chapters 82.08, 82.12,
25 and 82.14 RCW, on each eligible investment project that is located in
26 an eligible area, if the applicant establishes that at the time the
27 project is operationally complete:

28 (a) The applicant will hire at least one qualified employment
29 position for each seven hundred fifty thousand dollars of investment on
30 which a deferral is requested; and

31 (b) The positions will be filled by persons who at the time of hire
32 are residents of the community empowerment zone. As used in this
33 subsection, "resident" means the person makes his or her home in the
34 community empowerment zone. A mailing address alone is insufficient to
35 establish that a person is a resident for the purposes of this section.

1 The persons must be hired after the date the application is filed with
2 the department.

3 (3) All other provisions and eligibility requirements of this
4 chapter apply to applicants eligible under this section.

5 (4) The qualified employment position must be filled by the end of
6 the calendar year following the year in which the project is certified
7 as operationally complete. If a person does not meet the requirements
8 for qualified employment positions by the end of the second calendar
9 year following the year in which the project is certified as
10 operationally complete, all deferred taxes are immediately due.

11 NEW SECTION. **Sec. 5.** (1) Each recipient of a deferral granted
12 under this chapter after June 30, 2003, shall submit a report to the
13 department on December 31st of the year in which the investment project
14 is certified by the department as having been operationally completed,
15 and on December 31st of each of the seven succeeding calendar years.
16 The report shall contain information, as required by the department,
17 from which the department may determine whether the recipient is
18 meeting the requirements of this chapter. If the recipient fails to
19 submit a report or submits an inadequate report, the department may
20 declare the amount of deferred taxes outstanding to be immediately
21 assessed and payable.

22 (2) If, on the basis of a report under this section or other
23 information, the department finds that an investment project is not
24 eligible for tax deferral under this chapter, the amount of deferred
25 taxes outstanding for the project are immediately due. For any taxes
26 that are due, penalties and interest applicable to delinquent excise
27 taxes shall be assessed and imposed for delinquent payments under this
28 chapter. The debt for deferred taxes will not be extinguished by
29 insolvency or other failure of the recipient. Transfer of ownership
30 does not terminate the deferral. The deferral is transferred, subject
31 to the successor meeting the eligibility requirements of this chapter,
32 for the remaining periods of the deferral.

33 (3) Deferred taxes need not be repaid if the department determines,
34 in accordance with the provisions of subsection (1) of this section,
35 that the recipient has met the requirements of this chapter for the
36 seven calendar years following the certification by the department that
37 the investment project has been operationally completed.

1 NEW SECTION. **Sec. 6.** The employment security department shall
2 make, and certify to the department of revenue, all determinations of
3 employment and wages as requested by the department under this chapter.

4 NEW SECTION. **Sec. 7.** Chapter 82.32 RCW applies to the
5 administration of this chapter.

6 NEW SECTION. **Sec. 8.** Applications, reports, and any other
7 information received by the department under this chapter shall not be
8 confidential and shall be subject to disclosure.
