30 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

31 NEW SECTION. **Sec. 1.** The purposes of this act are to:

32 (1) Create an efficient and cost-effective industrial insurance  
33 system for the benefit of both employers and workers by introducing  
34 competition into the system through a choice of insurance carriers,  
35 including a competitive state fund, from whom employers may purchase  
36 industrial insurance;

1 (2) Improve the administration of the industrial insurance system  
2 by streamlining the laws and processes to reduce cost and litigation  
3 and to achieve both administrative efficiency and justice for injured  
4 workers;

5 (3) Provide workers the benefits of safety systems developed by  
6 both private enterprise and by government; and

7 (4) Improve the state's economic climate by providing the private  
8 sector with the opportunity to engage in the industrial insurance  
9 business under government regulation.

10 NEW SECTION. **Sec. 2.** Beginning July 1, 2006, every employer,  
11 unless otherwise exempt, must secure the payment of industrial  
12 insurance by:

13 (1) Insuring and keeping insured the payment of industrial  
14 insurance benefits as required by law with an authorized insurance  
15 carrier or the state fund; or

16 (2) Qualifying and remaining qualified as a self-insurer as  
17 permitted by law.

7 are efficient and cost-effective for both employers and workers,  
8 including processes and practices that reduce litigation;

9 (d) Authorization of insurance carriers to conduct industrial

11 measures;

13 conduct industrial insurance business in this state under the same  
14 conditions as the private insurance carriers, unless such conditions  
15 are not deemed to be appropriate;

16 (f) Authorization for employers to become self-insured, either as  
17 individuals or groups, including appropriate regulatory measures;

18 (g) Provision of premium rate-setting methods that promote stable  
19 premium rates and are the lowest necessary to maintain an effective  
20 industrial insurance system in the state;

21 (h) Requirements for review of insurer and regulatory agency  
22 decisions that promote prompt resolution of disputes, fair outcomes,  
23 and reduced litigation;

24 (i) Provisions relating to maintaining the adequacy of reserves in  
25 existence on June 30, 2006, for the benefit of injured workers whose  
26 claims accrued on or before that date; and

28 industrial safety and health programs in this state.

29 (4)(a) The joint select committee shall use legislative facilities  
30 and staff from senate committee services and the office of program  
31 research, but may hire additional staff with specific technical  
32 expertise if such expertise is necessary to carry out its mandates.

33 (b) The joint select committee, where feasible, may consult with

35 establish an advisory committee.

36 (c) The department of labor and industries and the office of the  
37 insurance commissioner shall cooperate with the joint select committee
