
HOUSE BILL 2188

State of Washington

58th Legislature

2003 Regular Session

By Representatives Wood and Conway

Read first time 03/03/2003. Referred to Committee on Commerce & Labor.

1 AN ACT Relating to ensuring safe repair, replacement, and
2 maintenance work on elevators and other conveyances; and creating a new
3 section.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** The legislature finds that proper repair,
6 replacement, and maintenance work on elevators and other conveyances is
7 essential to protecting workers and the public. Therefore, the
8 legislature declares that certain work in particular facilities should
9 be subject to licensure, and that certain work in other facilities may
10 be subject to other appropriate means of ensuring worker and public
11 safety.
