21 sale and removal of the valuable materials. Such procedures shall be
22 binding when contained within a purchaser's contract for valuable
23 materials and apply to the purchaser's successors in interest and shall
24 be enforced by the department.

25 **Sec. 215.** RCW 79.15.055 and 2003 c 334 s 309 are each amended to
26 read as follows:

27 For the purposes of this chapter, "appraisal" means an estimate of

33 ~~lands or)~~) valuable materials may not rely upon the appraisal prepared
34 by the department for purposes of deciding whether to make a purchase

1 from the department. All purchasers are required to make their own
2 independent appraisals.

3 **Sec. 216.** RCW 79.19.030 and 2003 c 334 s 527 are each amended to

13 of eminent domain is hereby granted to the department; and

14 (3) Sell property held in the land bank in the manner provided by
15 law for the sale of state lands without any requirement of platting and

19 **Sec. 217.** RCW 79.22.300 and 2003 c 334 s 213 are each amended to
20 read as follows:

21 Whenever the board of county commissioners of any county shall

24 administration of the department, are needed by the county for public
25 park use in accordance with the county and the state outdoor recreation
26 plans, the board of county commissioners may file an application with
27 the board for the transfer of such state forest lands.

28 Upon the filing of an application by the board of county
29 commissioners, the department shall cause notice of the impending
30 transfer to be given in the manner provided by RCW 42.30.060. If the
31 department determines that the proposed use is in accordance with the
32 state outdoor recreation plan, it shall reconvey said state forest
33 lands to the requesting county to have and to hold for so long as the
34 state forest lands are developed, maintained, and used for the proposed
35 public park purpose. This reconveyance may contain conditions to allow
36 the department to coordinate the management of any adjacent ((state

1 ~~owned~~) public lands with the proposed park activity to encourage
2 maximum multiple use management and may reserve rights of way needed to
3 manage other (~~state-owned~~) public lands in the area. The application
4 shall be denied if the department finds that the proposed use is not in
5 accord with the state outdoor recreation plan. If the land is not, or
6 ceases to be, used for public park purposes the land shall be conveyed
7 back to the department upon request of the department.

8 **Sec. 218.** RCW 79.36.330 and 2003 c 334 s 228 are each amended to
9 read as follows:

10 In the event the department should determine that the property
11 interests acquired under the authority of this chapter are no longer
12 necessary for the purposes for which they were acquired, the department
13 shall dispose of the same in the following manner, when in the
14 discretion of the department it is to the best interests of the state
15 of Washington to do so, except that property purchased with educational
16 funds or held in trust for educational purposes shall be sold only in
17 the same manner as are (~~public~~) state lands (~~of the state~~):

18 (1) Where the state property necessitating the acquisition of
19 private property interests for access purposes under authority of this
20 chapter is sold or exchanged, the acquired property interests may be
21 sold or exchanged as an appurtenance of the state property when it is
22 determined by the department that sale or exchange of the state
23 property and acquired property interests as one parcel is in the best
24 interests of the state.

25 (2) If the acquired property interests are not sold or exchanged as
26 provided in subsection (1) of this section, the department shall notify
27 the person or persons from whom the property interest was acquired,
28 stating that the property interests are to be sold, and that the person
29 or persons shall have the right to purchase the same at the appraised
30 price. The notice shall be given by registered letter or certified
31 mail, return receipt requested, mailed to the last known address of the
32 person or persons. If the address of the person or persons is unknown,
33 the notice shall be published twice in an official newspaper of general
34 circulation in the county where the lands or a portion thereof is
35 located. The second notice shall be published not less than ten nor
36 more than thirty days after the notice is first published. The person
37 or persons shall have thirty days after receipt of the registered

1 letter or five days after the last date of publication, as the case may
2 be, to notify the department, in writing, of their intent to purchase
3 the offered property interest. The purchaser shall include with his or
4 her notice of intention to purchase, cash payment, certified check, or
5 money order in an amount not less than one-third of the appraised
6 price. No instrument conveying property interests shall issue from the
7 department until the full price of the property is received by the
8 department. All costs of publication required under this section shall
9 be added to the appraised price and collected by the department upon
10 sale of the property interests.

11 (3) If the property interests are not sold or exchanged as provided
12 in subsections (1) and (2) of this section, the department shall notify
13 the owners of land abutting the property interests in the same manner
14 as provided in subsection (2) of this section and their notice of
15 intent to purchase shall be given in the manner and in accordance with
16 the same time limits as are set forth in subsection (2) of this
17 section. However, if more than one abutting owner gives notice of
18 intent to purchase the property interests, the department shall
19 apportion them in relation to the lineal footage bordering each side of
20 the property interests to be sold, and apportion the costs to the
21 interested purchasers in relation thereto. Further, no sale is
22 authorized by this section unless the department is satisfied that the
23 amounts to be received from the several purchasers will equal or exceed
24 the appraised price of the entire parcel plus any costs of publishing
25 notices.

26 (4) If no sale or exchange is consummated as provided in
27 subsections (1) through (3) of this section, the department shall sell
28 the properties in the same manner as state lands are sold.

29 (5) Any disposal of property interests authorized by this chapter
30 shall be subject to any existing rights previously granted by the
31 department.

33 read as follows:

34 The department may grant to any person such easements and rights in
35 ~~((state lands or state forest))~~ public lands, not otherwise provided in
36 law, as the applicant applying therefor may acquire in privately owned
37 lands ~~((through proceedings in eminent domain)).~~ No grant shall be

1 made under this section until such time as the full market value of the
2 estate or interest granted together with damages to all remaining
3 property of the state of Washington has been ascertained and safely
4 secured to the state.

5 **Sec. 220.** RCW 79.36.380 and 1982 1st ex.s. c 21 s 168 are each

24 of such private railroad, skid road, flume, canal, watercourse, or
25 other easement, and upon complying with just, reasonable and proper
26 rules and regulations relating to such transportation or use, which
27 rates, rules, and regulations, shall be under the supervision and

32 or easement since (~~(the fifteenth day of)~~) June 15, 1911, or hereafter
33 acquiring such right of way or easement over any (~~(state)~~) public lands
