**SUBSTITUTE HOUSE BILL 2786**

---

**State of Washington                      58th Legislature                      2004 Regular Session**

**By** House Committee on Health Care (originally sponsored by Representatives Cody, Campbell, Morrell, Schual-Berke, Lantz, Clibborn, Simpson, G., Moeller, Upthegrove and Kagi)

READ FIRST TIME 02/04/04.

1            AN ACT Relating to improving health care professional and health  
2 care facility patient safety practices; amending RCW 4.24.250,  
3 43.70.510, 70.41.200, 43.70.110, and 43.70.250; adding new sections to  
4 chapter 43.70 RCW; adding a new section to chapter 7.70 RCW; creating  
5 new sections; providing an effective date; and providing an expiration  
6 date.

7 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

8            NEW SECTION.    **Sec. 1.** (1) The legislature finds that:

9            (a) Thousands of patients are injured each year in the United  
10 States as a result of medical errors, and that a comprehensive approach  
11 is needed to effectively reduce the incidence of medical errors in our  
12 health care system. Implementation of proven patient safety strategies  
13 can reduce medical errors, and thereby potentially reduce the need for  
14 disciplinary actions against licensed health care professionals and  
15 facilities, and the frequency and severity of medical malpractice  
16 claims; and

17            (b) Health care providers, health care facilities, and health  
18 carriers can and should be supported in their efforts to improve  
19 patient safety and reduce medical errors by authorizing the sharing of

1 successful quality improvement efforts, encouraging health care  
2 facilities and providers to work cooperatively in their patient safety  
3 efforts, and increasing funding available to implement proven patient  
4 safety strategies.

5 (2) Through the adoption of this act, the legislature intends to  
6 positively influence the safety and quality of care provided in  
7 Washington state's health care system.

8 **PART I: ENCOURAGING PATIENT SAFETY THROUGH**  
9 **SHARED QUALITY IMPROVEMENT EFFORTS**

10 **Sec. 101.** RCW 4.24.250 and 1981 c 181 s 1 are each amended to read  
11 as follows:

12 (1) Any health care provider as defined in RCW 7.70.020 (1) and (2)  
13 as now existing or hereafter amended who, in good faith, files charges  
14 or presents evidence against another member of their profession based  
15 on the claimed incompetency or gross misconduct of such person before  
16 a regularly constituted review committee or board of a professional  
17 society or hospital whose duty it is to evaluate the competency and  
18 qualifications of members of the profession, including limiting the  
19 extent of practice of such person in a hospital or similar institution,  
20 or before a regularly constituted committee or board of a hospital  
21 whose duty it is to review and evaluate the quality of patient care,  
22 shall be immune from civil action for damages arising out of such  
23 activities. The proceedings, reports, and written records of such  
24 committees or boards, or of a member, employee, staff person, or  
25 investigator of such a committee or board, shall not be subject to  
26 subpoena or discovery proceedings in any civil action, except actions  
27 arising out of the recommendations of such committees or boards  
28 involving the restriction or revocation of the clinical or staff  
29 privileges of a health care provider as defined above.

30 (2) A coordinated quality improvement program maintained in  
31 accordance with RCW 43.70.510 or 70.41.200 may share information and  
32 documents, including complaints and incident reports, created  
33 specifically for, and collected and maintained by a coordinated quality  
34 improvement committee or committees or boards under subsection (1) of  
35 this section, with one or more other coordinated quality improvement  
36 programs for the improvement of the quality of health care services

1 rendered to patients and the identification and prevention of medical  
2 malpractice. Information and documents disclosed by one coordinated  
3 quality improvement program to another coordinated quality improvement  
4 program and any information and documents created or maintained as a  
5 result of the sharing of information and documents shall not be subject  
6 to the discovery process and confidentiality shall be respected as  
7 required by subsection (1) of this section and by RCW 43.70.510(4) and  
8 70.41.200(3).

9       **Sec. 102.** RCW 43.70.510 and 1995 c 267 s 7 are each amended to  
10 read as follows:

11       (1)(a) Health care institutions and medical facilities, other than  
12 hospitals, that are licensed by the department, professional societies  
13 or organizations, health care service contractors, health maintenance  
14 organizations, health carriers approved pursuant to chapter 48.43 RCW,  
15 and any other person or entity providing health care coverage under  
16 chapter 48.42 RCW that is subject to the jurisdiction and regulation of  
17 any state agency or any subdivision thereof may maintain a coordinated  
18 quality improvement program for the improvement of the quality of  
19 health care services rendered to patients and the identification and  
20 prevention of medical malpractice as set forth in RCW 70.41.200.

21       (b) All such programs shall comply with the requirements of RCW  
22 70.41.200(1)(a), (c), (d), (e), (f), (g), and (h) as modified to  
23 reflect the structural organization of the institution, facility,  
24 professional societies or organizations, health care service  
25 contractors, health maintenance organizations, health carriers, or any  
26 other person or entity providing health care coverage under chapter  
27 48.42 RCW that is subject to the jurisdiction and regulation of any  
28 state agency or any subdivision thereof, unless an alternative quality  
29 improvement program substantially equivalent to RCW 70.41.200(1)(a) is  
30 developed. All such programs, whether complying with the requirement  
31 set forth in RCW 70.41.200(1)(a) or in the form of an alternative  
32 program, must be approved by the department before the discovery  
33 limitations provided in subsections (3) and (4) of this section and the  
34 exemption under RCW 42.17.310(1)(hh) and subsection (5) of this section  
35 shall apply. In reviewing plans submitted by licensed entities that  
36 are associated with physicians' offices, the department shall ensure  
37 that the exemption under RCW 42.17.310(1)(hh) and the discovery

1 limitations of this section are applied only to information and  
2 documents related specifically to quality improvement activities  
3 undertaken by the licensed entity.

4 (2) Health care provider groups of (~~ten~~) five or more providers  
5 may maintain a coordinated quality improvement program for the  
6 improvement of the quality of health care services rendered to patients  
7 and the identification and prevention of medical malpractice as set  
8 forth in RCW 70.41.200. All such programs shall comply with the  
9 requirements of RCW 70.41.200(1)(a), (c), (d), (e), (f), (g), and (h)  
10 as modified to reflect the structural organization of the health care  
11 provider group. All such programs must be approved by the department  
12 before the discovery limitations provided in subsections (3) and (4) of  
13 this section and the exemption under RCW 42.17.310(1)(hh) and  
14 subsection (5) of this section shall apply.

15 (3) Any person who, in substantial good faith, provides information  
16 to further the purposes of the quality improvement and medical  
17 malpractice prevention program or who, in substantial good faith,  
18 participates on the quality improvement committee shall not be subject  
19 to an action for civil damages or other relief as a result of such  
20 activity. Any person or entity participating in a coordinated quality  
21 improvement program that shares information or documents with one or  
22 more other programs in good faith and in accordance with applicable  
23 confidentiality and disclosure requirements of the coordinated quality  
24 improvement committee is not subject to an action for civil damages or  
25 other relief arising out of the act of sharing them.

26 (4) Information and documents, including complaints and incident  
27 reports, created specifically for, and collected, and maintained by a  
28 quality improvement committee are not subject to discovery or  
29 introduction into evidence in any civil action, and no person who was  
30 in attendance at a meeting of such committee or who participated in the  
31 creation, collection, or maintenance of information or documents  
32 specifically for the committee shall be permitted or required to  
33 testify in any civil action as to the content of such proceedings or  
34 the documents and information prepared specifically for the committee.  
35 This subsection does not preclude: (a) In any civil action, the  
36 discovery of the identity of persons involved in the medical care that  
37 is the basis of the civil action whose involvement was independent of  
38 any quality improvement activity; (b) in any civil action, the

1 testimony of any person concerning the facts that form the basis for  
2 the institution of such proceedings of which the person had personal  
3 knowledge acquired independently of such proceedings; (c) in any civil  
4 action by a health care provider regarding the restriction or  
5 revocation of that individual's clinical or staff privileges,  
6 introduction into evidence information collected and maintained by  
7 quality improvement committees regarding such health care provider; (d)  
8 in any civil action challenging the termination of a contract by a  
9 state agency with any entity maintaining a coordinated quality  
10 improvement program under this section if the termination was on the  
11 basis of quality of care concerns, introduction into evidence of  
12 information created, collected, or maintained by the quality  
13 improvement committees of the subject entity, which may be under terms  
14 of a protective order as specified by the court; (e) in any civil  
15 action, disclosure of the fact that staff privileges were terminated or  
16 restricted, including the specific restrictions imposed, if any and the  
17 reasons for the restrictions; or (f) in any civil action, discovery and  
18 introduction into evidence of the patient's medical records required by  
19 rule of the department of health to be made regarding the care and  
20 treatment received.

21 (5) Information and documents created specifically for, and  
22 collected and maintained by a quality improvement committee are exempt  
23 from disclosure under chapter 42.17 RCW.

24 (6) A coordinated quality improvement program may share information  
25 and documents, including complaints and incident reports, created  
26 specifically for, and collected and maintained by a quality improvement  
27 committee or a peer review committee under RCW 4.24.250 with one or  
28 more other coordinated quality improvement programs maintained in  
29 accordance with this section or with RCW 70.41.200, for the improvement  
30 of the quality of health care services rendered to patients and the  
31 identification and prevention of medical malpractice. Information and  
32 documents disclosed by one coordinated quality improvement program to  
33 another coordinated quality improvement program and any information and  
34 documents created or maintained as a result of the sharing of  
35 information and documents shall not be subject to the discovery process  
36 and confidentiality shall be respected as required by subsection (4) of  
37 this section and RCW 4.24.250.

1       (7) The department of health shall adopt rules as are necessary to  
2 implement this section.

3       **Sec. 103.** RCW 70.41.200 and 2000 c 6 s 3 are each amended to read  
4 as follows:

5       (1) Every hospital shall maintain a coordinated quality improvement  
6 program for the improvement of the quality of health care services  
7 rendered to patients and the identification and prevention of medical  
8 malpractice. The program shall include at least the following:

9       (a) The establishment of a quality improvement committee with the  
10 responsibility to review the services rendered in the hospital, both  
11 retrospectively and prospectively, in order to improve the quality of  
12 medical care of patients and to prevent medical malpractice. The  
13 committee shall oversee and coordinate the quality improvement and  
14 medical malpractice prevention program and shall ensure that  
15 information gathered pursuant to the program is used to review and to  
16 revise hospital policies and procedures;

17       (b) A medical staff privileges sanction procedure through which  
18 credentials, physical and mental capacity, and competence in delivering  
19 health care services are periodically reviewed as part of an evaluation  
20 of staff privileges;

21       (c) The periodic review of the credentials, physical and mental  
22 capacity, and competence in delivering health care services of all  
23 persons who are employed or associated with the hospital;

24       (d) A procedure for the prompt resolution of grievances by patients  
25 or their representatives related to accidents, injuries, treatment, and  
26 other events that may result in claims of medical malpractice;

27       (e) The maintenance and continuous collection of information  
28 concerning the hospital's experience with negative health care outcomes  
29 and incidents injurious to patients, patient grievances, professional  
30 liability premiums, settlements, awards, costs incurred by the hospital  
31 for patient injury prevention, and safety improvement activities;

32       (f) The maintenance of relevant and appropriate information  
33 gathered pursuant to (a) through (e) of this subsection concerning  
34 individual physicians within the physician's personnel or credential  
35 file maintained by the hospital;

36       (g) Education programs dealing with quality improvement, patient  
37 safety, medication errors, injury prevention, staff responsibility to

1 report professional misconduct, the legal aspects of patient care,  
2 improved communication with patients, and causes of malpractice claims  
3 for staff personnel engaged in patient care activities; and

4 (h) Policies to ensure compliance with the reporting requirements  
5 of this section.

6 (2) Any person who, in substantial good faith, provides information  
7 to further the purposes of the quality improvement and medical  
8 malpractice prevention program or who, in substantial good faith,  
9 participates on the quality improvement committee shall not be subject  
10 to an action for civil damages or other relief as a result of such  
11 activity. Any person or entity participating in a coordinated quality  
12 improvement program that shares information or documents with one or  
13 more other programs in good faith and in accordance with applicable  
14 confidentiality and disclosure requirements of the coordinated quality  
15 improvement committee is not subject to an action for civil damages or  
16 other relief arising out of the act of sharing them.

17 (3) Information and documents, including complaints and incident  
18 reports, created specifically for, and collected, and maintained by a  
19 quality improvement committee are not subject to discovery or  
20 introduction into evidence in any civil action, and no person who was  
21 in attendance at a meeting of such committee or who participated in the  
22 creation, collection, or maintenance of information or documents  
23 specifically for the committee shall be permitted or required to  
24 testify in any civil action as to the content of such proceedings or  
25 the documents and information prepared specifically for the committee.  
26 This subsection does not preclude: (a) In any civil action, the  
27 discovery of the identity of persons involved in the medical care that  
28 is the basis of the civil action whose involvement was independent of  
29 any quality improvement activity; (b) in any civil action, the  
30 testimony of any person concerning the facts which form the basis for  
31 the institution of such proceedings of which the person had personal  
32 knowledge acquired independently of such proceedings; (c) in any civil  
33 action by a health care provider regarding the restriction or  
34 revocation of that individual's clinical or staff privileges,  
35 introduction into evidence information collected and maintained by  
36 quality improvement committees regarding such health care provider; (d)  
37 in any civil action, disclosure of the fact that staff privileges were  
38 terminated or restricted, including the specific restrictions imposed,

1 if any and the reasons for the restrictions; or (e) in any civil  
2 action, discovery and introduction into evidence of the patient's  
3 medical records required by regulation of the department of health to  
4 be made regarding the care and treatment received.

5 (4) Each quality improvement committee shall, on at least a  
6 semiannual basis, report to the governing board of the hospital in  
7 which the committee is located. The report shall review the quality  
8 improvement activities conducted by the committee, and any actions  
9 taken as a result of those activities.

10 (5) The department of health shall adopt such rules as are deemed  
11 appropriate to effectuate the purposes of this section.

12 (6) The medical quality assurance commission or the board of  
13 osteopathic medicine and surgery, as appropriate, may review and audit  
14 the records of committee decisions in which a physician's privileges  
15 are terminated or restricted. Each hospital shall produce and make  
16 accessible to the commission or board the appropriate records and  
17 otherwise facilitate the review and audit. Information so gained shall  
18 not be subject to the discovery process and confidentiality shall be  
19 respected as required by subsection (3) of this section. Failure of a  
20 hospital to comply with this subsection is punishable by a civil  
21 penalty not to exceed two hundred fifty dollars.

22 (7) The department, the joint commission on accreditation of health  
23 care organizations, and any other accrediting organization may review  
24 and audit the records of a quality improvement committee or peer review  
25 committee in connection with their inspection and review of hospitals.  
26 Information so obtained shall not be subject to the discovery process,  
27 and confidentiality shall be respected as required by subsection (3) of  
28 this section. Each hospital shall produce and make accessible to the  
29 department the appropriate records and otherwise facilitate the review  
30 and audit.

31 (8) A coordinated quality improvement program may share information  
32 and documents, including complaints and incident reports, created  
33 specifically for, and collected and maintained by a quality improvement  
34 committee or a peer review committee under RCW 4.24.250 with one or  
35 more other coordinated quality improvement programs maintained in  
36 accordance with this section or with RCW 43.70.510, for the improvement  
37 of the quality of health care services rendered to patients and the  
38 identification and prevention of medical malpractice. Information and

1 documents disclosed by one coordinated quality improvement program to  
2 another coordinated quality improvement program and any information and  
3 documents created or maintained as a result of the sharing of  
4 information and documents shall not be subject to the discovery process  
5 and confidentiality shall be respected as required by subsection (3) of  
6 this section and RCW 4.24.250.

7 (9) Violation of this section shall not be considered negligence  
8 per se.

9 **PART II: FUNDING PATIENT SAFETY EFFORTS**

10 **Sec. 201.** RCW 43.70.110 and 1993 sp.s. c 24 s 918 are each amended  
11 to read as follows:

12 (1) The secretary shall charge fees to the licensee for obtaining  
13 a license. After June 30, 1995, municipal corporations providing  
14 emergency medical care and transportation services pursuant to chapter  
15 18.73 RCW shall be exempt from such fees, provided that such other  
16 emergency services shall only be charged for their pro rata share of  
17 the cost of licensure and inspection, if appropriate. The secretary  
18 may waive the fees when, in the discretion of the secretary, the fees  
19 would not be in the best interest of public health and safety, or when  
20 the fees would be to the financial disadvantage of the state.

21 (2) Except as provided in section 203 of this act, fees charged  
22 shall be based on, but shall not exceed, the cost to the department for  
23 the licensure of the activity or class of activities and may include  
24 costs of necessary inspection.

25 (3) Department of health advisory committees may review fees  
26 established by the secretary for licenses and comment upon the  
27 appropriateness of the level of such fees.

28 **Sec. 202.** RCW 43.70.250 and 1996 c 191 s 1 are each amended to  
29 read as follows:

30 It shall be the policy of the state of Washington that the cost of  
31 each professional, occupational, or business licensing program be fully  
32 borne by the members of that profession, occupation, or business. The  
33 secretary shall from time to time establish the amount of all  
34 application fees, license fees, registration fees, examination fees,  
35 permit fees, renewal fees, and any other fee associated with licensing

1 or regulation of professions, occupations, or businesses administered  
2 by the department. In fixing said fees, the secretary shall set the  
3 fees for each program at a sufficient level to defray the costs of  
4 administering that program and the patient safety fee established in  
5 section 203 of this act. All such fees shall be fixed by rule adopted  
6 by the secretary in accordance with the provisions of the  
7 administrative procedure act, chapter 34.05 RCW.

8 NEW SECTION. **Sec. 203.** A new section is added to chapter 43.70  
9 RCW to read as follows:

10 (1) The secretary shall increase the licensing fee established  
11 under RCW 43.70.110 by two dollars per year for the health care  
12 professionals designated in subsection (2) of this section and by two  
13 dollars per licensed bed per year for the health care facilities  
14 designated in subsection (2) of this section. Proceeds of the patient  
15 safety fee must be deposited into the patient safety account in section  
16 207 of this act and dedicated to patient safety and medical error  
17 reduction efforts that have been proven to improve, or have a  
18 substantial likelihood of improving the quality of care provided by  
19 health care professionals and facilities.

20 (2) The health care professionals and facilities subject to the  
21 patient safety fee are:

22 (a) The following health care professionals licensed under Title 18  
23 RCW:

24 (i) Advanced registered nurse practitioners, registered nurses, and  
25 licensed practical nurses licensed under chapter 18.79 RCW;

26 (ii) Chiropractors licensed under chapter 18.25 RCW;

27 (iii) Dentists licensed under chapter 18.32 RCW;

28 (iv) Midwives licensed under chapter 18.50 RCW;

29 (v) Naturopaths licensed under chapter 18.36A RCW;

30 (vi) Nursing home administrators licensed under chapter 18.52 RCW;

31 (vii) Optometrists licensed under chapter 18.53 RCW;

32 (viii) Osteopathic physicians licensed under chapter 18.57 RCW;

33 (ix) Osteopathic physicians' assistants licensed under chapter  
34 18.57A RCW;

35 (x) Pharmacists and pharmacies licensed under chapter 18.64 RCW;

36 (xi) Physicians licensed under chapter 18.71 RCW;

37 (xii) Physician assistants licensed under chapter 18.71A RCW;

1 (xiii) Podiatrists licensed under chapter 18.22 RCW; and  
2 (xiv) Psychologists licensed under chapter 18.83 RCW; and  
3 (b) Hospitals licensed under chapter 70.41 RCW and psychiatric  
4 hospitals licensed under chapter 71.12 RCW.

5 NEW SECTION. **Sec. 204.** A new section is added to chapter 7.70 RCW  
6 to read as follows:

7 (1)(a) One percent of any attorney contingency fee as contracted  
8 with a prevailing plaintiff in any action for damages based upon  
9 injuries resulting from health care shall be deducted from the  
10 contingency fee as a patient safety set aside. Proceeds of the patient  
11 safety set aside will be distributed by the department of health in the  
12 form of grants, loans, or other appropriate arrangements to support  
13 strategies that have been proven to reduce medical errors and enhance  
14 patient safety, or have a substantial likelihood of reducing medical  
15 errors and enhancing patient safety, as provided in section 203 of this  
16 act.

17 (b) A patient safety set aside shall be transmitted to the  
18 secretary of the department of health by the person or entity paying  
19 the claim, settlement, or verdict for deposit into the patient safety  
20 account established in section 207 of this act.

21 (c) The supreme court shall by rule adopt procedures to implement  
22 this section.

23 (2) If the patient safety set aside established by this section is  
24 invalidated by the Washington state supreme court, then any attorney  
25 representing a claimant who receives a settlement or verdict in any  
26 action for damages based upon injuries resulting from health care under  
27 this chapter shall provide information to the claimant regarding the  
28 existence and purpose of the patient safety account and notify the  
29 claimant that he or she may make a contribution to that account under  
30 section 206 of this act.

31 NEW SECTION. **Sec. 205.** A new section is added to chapter 43.70  
32 RCW to read as follows:

33 (1)(a) Patient safety fee and set aside proceeds shall be  
34 administered by the department, after seeking input from health care  
35 providers engaged in direct patient care activities, health care  
36 facilities, and other interested parties. In developing criteria for

1 the award of grants, loans, or other appropriate arrangements under  
2 this section, the department shall rely primarily upon evidence-based  
3 practices to improve patient safety that have been identified and  
4 recommended by governmental and private organizations, including, but  
5 not limited to:

- 6 (i) The federal agency for health care quality and research;
- 7 (ii) The institute of medicine of the national academy of sciences;
- 8 (iii) The joint commission on accreditation of health care  
9 organizations; and
- 10 (iv) The national quality forum.

11 (b) The department shall award grants, loans, or other appropriate  
12 arrangements for at least two strategies that are designed to meet the  
13 goals and recommendations of the federal institute of medicine's  
14 report, "Keeping Patients Safe: Transforming the Work Environment of  
15 Nurses."

16 (2) Projects that have been proven to reduce medical errors and  
17 enhance patient safety shall receive priority for funding over those  
18 that are not proven, but have a substantial likelihood of reducing  
19 medical errors and enhancing patient safety. All project proposals  
20 must include specific performance and outcome measures by which to  
21 evaluate the effectiveness of the project. Project proposals that do  
22 not propose to use a proven patient safety strategy must include, in  
23 addition to performance and outcome measures, a detailed description of  
24 the anticipated outcomes of the project based upon any available  
25 related research and the steps for achieving those outcomes.

26 (3) The department may use a portion of the patient safety fee  
27 proceeds for the costs of administering the program.

28 NEW SECTION. **Sec. 206.** A new section is added to chapter 43.70  
29 RCW to read as follows:

30 The secretary may solicit and accept grants or other funds from  
31 public and private sources to support patient safety and medical error  
32 reduction efforts under this act. Any grants or funds received may be  
33 used to enhance these activities as long as program standards  
34 established by the secretary are followed.

35 NEW SECTION. **Sec. 207.** A new section is added to chapter 43.70  
36 RCW to read as follows:

1 The patient safety account is created in the custody of the state  
2 treasurer. All receipts from the fees and set asides created in  
3 sections 203 and 204 of this act must be deposited into the account.  
4 Expenditures from the account may be used only for the purposes of this  
5 act. Only the secretary or the secretary's designee may authorize  
6 expenditures from the account. The account is subject to allotment  
7 procedures under chapter 43.88 RCW, but an appropriation is not  
8 required for expenditures.

9 NEW SECTION. **Sec. 208.** A new section is added to chapter 43.70  
10 RCW to read as follows:

11 By December 1, 2007, the department shall report the following  
12 information to the governor and the health policy and fiscal committees  
13 of the legislature:

14 (1) The amount of patient safety fees and set asides deposited to  
15 date in the patient safety account;

16 (2) The criteria for distribution of grants, loans, or other  
17 appropriate arrangements under this act; and

18 (3) A description of the medical error reduction and patient safety  
19 grants and loans distributed to date, including the stated performance  
20 measures, activities, timelines, and detailed information regarding  
21 outcomes for each project.

22 **PART III: MISCELLANEOUS PROVISIONS**

23 NEW SECTION. **Sec. 301.** Part headings used in this act are not any  
24 part of the law.

25 NEW SECTION. **Sec. 302.** If any provision of this act or its  
26 application to any person or circumstance is held invalid, the  
27 remainder of the act or the application of the provision to other  
28 persons or circumstances is not affected.

29 NEW SECTION. **Sec. 303.** Sections 201 through 208 of this act  
30 expire December 31, 2010.

1        NEW SECTION.   **Sec. 304.**   Section 203 of this act takes effect July  
2   1, 2004.

--- END ---
