31 urban passenger transportation system and carriers as defined by
32 chapters 81.68 and 81.70 RCW shall be exempt from the provisions of
33 this chapter requiring the payment of special fuel taxes. For the
34 purposes of this section "urban passenger transportation system" means
35 every transportation system, publicly or privately owned, having as its
36 principal source of revenue the income from transporting persons for
37 compensation by means of motor vehicles and/or trackless trolleys, each
38 having a seating capacity for over fifteen persons over prescribed

1 routes in such a manner that the routes of such motor vehicles and/or
2 trackless trolleys, either alone or in conjunction with routes of other
3 such motor vehicles and/or trackless trolleys subject to routing by the

15 this chapter requiring the payment of special fuel taxes on biodiesel
16 fuel, natural gas, and liquefied petroleum gas if the biodiesel fuel is
17 used at a minimum of a twenty percent blend by volume. For the
18 purposes of this section, "biodiesel fuel" means a mono alkyl ester of
19 long chain fatty acids derived from vegetable oils or animal fats for
20 use in compression-ignition engines and that meets the requirements of
21 the American society of testing and materials specification D 6751 in
22 effect as of January 1, 2003.

23 NEW SECTION. Sec. 2. This act takes effect July 1, 2004.
