11 of said district, by contract or in any other manner said commissioners
12 may deem expedient or necessary under the existing conditions; and said
13 hospital district shall have the power to contract with other
14 communities, corporations, or individuals for the services provided by
15 said hospital district; and they may further receive in said hospitals
16 and other health care facilities and furnish proper and adequate
17 services to all persons not residents of said district at such
18 reasonable and fair compensation as may be considered proper:
19 PROVIDED, That it must at all times make adequate provision for the
20 needs of the district and residents of said district shall have prior
21 rights to the available hospital and other health care facilities of
22 said district, at rates set by the district commissioners.

23 (4) For the purpose aforesaid, it shall be lawful for any district
24 so organized to take, condemn and purchase, lease, or acquire, any and

25 twenty-five cents per thousand dollars of assessed value, or such
26 further amount as has been or shall be authorized by a vote of the

30 for in chapter 84.55 RCW. Public hospital districts are authorized to
31 levy such a general tax in excess of their regular property taxes when
32 authorized so to do at a special election conducted in accordance with
33 and subject to all of the requirements of the Constitution and the laws
34 of the state of Washington now in force or hereafter enacted governing
35 the limitation of tax levies. The said board of district commissioners

19 anticipation of the revenue to be derived by such district from the
20 levy of taxes for the purpose of such district, and such warrants shall
21 be redeemed from the first money available from such taxes when
22 collected, and such warrants shall not exceed the anticipated revenues
23 of one year, and shall bear interest at a rate or rates as authorized
24 by the commission.

25 (7) To enter into any contract with the United States government or
26 any state, municipality, or other hospital district, or any department

3 the district are necessary or desirable for the adequate staffing of
4 said facilities.

5 (10) To (~~make contracts,~~) employ superintendents, attorneys, and

10 contracts with current or prospective employees, physicians, or other
11 health care practitioners providing for the payment or reimbursement by
12 the public hospital district of health care training or education
13 expenses, including but not limited to debt obligations, incurred by
14 current or prospective employees, physicians, or other health care
15 practitioners in return for their agreement to provide services
16 beneficial to the public hospital district; to print and publish
17 information or literature; and to do all other things necessary to
18 carry out the provisions of this chapter.
