Chief Clerk

FILED

**Secretary of State
State of Washington**

ENGROSSED SUBSTITUTE HOUSE BILL 1754

AS AMENDED BY THE SENATE

Passed Legislature - 2003 Regular Session

State of Washington 58th Legislature 2003 Regular Session

By House Committee on Agriculture & Natural Resources (originally sponsored by Representatives Eickmeyer, Schoesler, Sump, Hunt, Grant, Pettigrew, Haigh, McDermott, Blake, Quall, Rockefeller and Romero)

READ FIRST TIME 03/05/03.

1 AN ACT Relating to poultry; adding a new section to chapter 16.49
2 RCW; and adding a new section to chapter 69.07 RCW.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 NEW SECTION. **Sec. 1.** A new section is added to chapter 16.49 RCW
5 to read as follows:

6 (1) This chapter does not apply to the slaughter and preparation of
7 one thousand or fewer pastured chickens in a calendar year by the
8 agricultural producer of the chickens for the sale of whole raw
9 chickens by the producer directly to the ultimate consumer at the
10 producer's farm.

11 (2) For the purposes of this section, "chicken" means the species
12 Gallus domesticus.

13 NEW SECTION. **Sec. 2.** A new section is added to chapter 69.07 RCW
14 to read as follows:

15 (1) A special, temporary permit issued by the department under this
16 section is required for the slaughter and preparation of one thousand
17 or fewer pastured chickens in a calendar year by the agricultural
18 producer of the chickens for the sale of whole raw chickens by the

1 producer directly to the ultimate consumer at the producer's farm, and
2 for such sale. Such activities shall not be conducted without the
3 permit. However, if the activities are conducted under such a permit,
4 the activities are exempted from any other licensing requirements of
5 this chapter.

6 (2)(a) The department must adopt by rule requirements for a
7 special, temporary permit for the activities described in subsection
8 (1) of this section. The requirements must be generally patterned
9 after those established by WAC 246-215-190 as it exists on the
10 effective date of this section for temporary food service
11 establishments, but must be tailored specifically to these slaughter,
12 preparation, and sale activities. The requirements must include, but
13 are not limited to, those for: Cooling procedures, when applicable;
14 sanitary facilities, equipment, and utensils; clean water; washing and
15 other hygienic practices; and waste and wastewater disposal.

16 (b) The rules must also identify the length of time such a permit
17 is valid. In determining the length of time, the department must take
18 care to ensure that it is adequate to accommodate the seasonal nature
19 of the permitted activities. In adopting any rule under this section,
20 the department must also carefully consider the economic constraints on
21 the regulated activity.

22 (3) The department shall conduct such inspections of the activities
23 permitted under this section as are reasonably necessary to ensure
24 compliance with permit requirements.

25 (4) The fee for a special permit issued under this section is
26 seventy-five dollars.

27 (5) For the purposes of this section, "chicken" means the species
28 Gallus domesticus.
