AS AMENDED BY THE SENATE

Passed Legislature - 2003 Regular Session

**State of Washington                      58th Legislature                      2003 Regular Session**

**By** House Committee on Higher Education (originally sponsored by Representatives Priest, Jarrett and Cox)

READ FIRST TIME 03/05/03.

1            AN ACT Relating to performance contracts between the state and  
2 institutions of higher education; creating new sections; and providing  
3 an expiration date.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5            NEW SECTION.    **Sec. 1.** (1) The legislature finds that ten years  
6 have passed since the state attempted to redefine the relationship with  
7 its institutions of higher education based on trust, evidence, and a  
8 new alignment of responsibilities, as articulated in chapter 363, Laws  
9 of 1993.

10           (2) However, the legislature also finds that the intent to combine  
11 institutional flexibility and authority to make decisions at the local  
12 level with accountability for achieving statewide goals and objectives  
13 has never been fully achieved, in part because there has not been an  
14 operating mechanism through which to implement this relationship.

15           (3) Therefore, the legislature intends to explore opportunities to  
16 create performance contracts between the state and public institutions  
17 of higher education. It is the intent of the legislature that such a  
18 contract would constitute a negotiated agreement between the state and  
19 an institution, where the state's primary interest would lie not in the

1 management and operations of an institution, but in the institution's  
2 contribution to achieving agreed-upon statewide goals and objectives  
3 for higher education.

4 NEW SECTION. **Sec. 2.** (1) A work group on higher education  
5 performance contracts is established. The work group shall consist of  
6 members as follows:

7 (a) The members of the house and senate higher education and fiscal  
8 committees;

9 (b) One representative of the higher education coordinating board,  
10 appointed by the board;

11 (c) One representative of the state board for community and  
12 technical colleges, appointed by the state board;

13 (d) Two representatives of public four-year institutions of higher  
14 education, appointed by the council of presidents;

15 (e) Two representatives of the community and technical colleges,  
16 appointed by the Washington association of community and technical  
17 colleges; and

18 (f) One representative of the governor's office and one  
19 representative of the office of financial management, each appointed by  
20 the governor.

21 (2) The work group may invite input from other interested parties,  
22 including but not limited to faculty and student representatives and  
23 representatives of the business community. Within available funds, the  
24 work group may obtain additional expertise or engage consultants if  
25 necessary to carry out its work.

26 (3) The work group shall:

27 (a) Examine the experience of other states in developing and  
28 implementing performance contracts with institutions of higher  
29 education;

30 (b) Consider the feasibility of implementing performance contracts  
31 in Washington;

32 (c) Identify whether amendments to current laws may be necessary to  
33 implement performance contracts; and

34 (d) Develop guidelines and possible models for performance  
35 contracts, including:

36 (i) The types of indicators and benchmarks that could be included

1 in a contract to measure an institution's progress in meeting the  
2 contract's objectives; and

3 (ii) The types of flexibility, exemptions, or commitments that  
4 could be included in a contract to reflect the state's obligation to an  
5 institution.

6 (4) The work group shall use legislative facilities and staff from  
7 senate committee services and the office of program research. Each  
8 nonlegislative member of the work group shall be reimbursed for travel  
9 expenses in accordance with RCW 43.03.050 and 43.03.060. Travel  
10 expenses for the nonlegislative members shall be paid by their  
11 respective institutions or agencies.

12 (5) The work group shall report its findings and recommendations to  
13 the higher education and fiscal committees of the legislature by  
14 December 15, 2003.

15 NEW SECTION. **Sec. 3.** This act expires June 30, 2004.
