3 15.24.100, 15.24.110, 15.24.160, and 15.24.190; adding new sections to
4 chapter 15.24 RCW; and creating a new section.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6 NEW SECTION. **Sec. 1.** The commission exists primarily for the
7 benefit of the people of the state of Washington and its economy. The
8 legislature hereby charges the commission, with oversight by the
9 director, to speak on behalf of the Washington state government with
10 regard to apples and apple-related issues.

11 **Sec. 2.** RCW 15.24.020 and 2002 c 313 s 116 are each amended to
12 read as follows:

13 There is hereby created a Washington apple commission to be thus
14 known and designated. The commission shall be composed of nine
15 practical apple producers and four practical apple dealers. ((The
16 director shall be an ex-officio member of the commission without
17 vote.)) In addition, the director shall be a full voting member of the
18 commission and may in his or her place appoint any other employee of

1 the department of agriculture as a designee to attend commission
2 meetings and otherwise represent the director and exercise the
3 director's vote.

4 The nine producer members shall be citizens and residents of this
5 state, over the age of twenty-five years, each of whom, either
6 individually or as an executive officer of a corporation, firm or
7 partnership, is and has been actually engaged in growing and producing
8 apples within the state of Washington for a period of five years,
9 currently operates a commercial producing orchard in the district
10 represented, and has during that period derived a substantial portion
11 of his or her income therefrom(~~(: PROVIDED, That he or she may own and~~
12 ~~operate an apple warehouse and pack and store apples grown by others,~~
13 ~~without being disqualified, so long as a substantial quantity of the~~
14 ~~apples handled in such warehouse are grown by him or her; and he or she~~
15 ~~may sell apples grown by himself, herself, and others so long as he or~~
16 ~~she does not sell a larger quantity of apples grown by others than~~
17 ~~those grown by himself or herself)). The four dealer members shall be~~
18 persons who, either individually or as executive officers of a
19 corporation, firm, partnership, association, or cooperative
20 organization, are and have been actively engaged as dealers in apples
21 within the state of Washington for a period of five years, and are
22 citizens and residents of this state, and are engaged as apple dealers
23 in the district represented. The qualifications of members of the
24 commission as herein set forth must continue during their term of
25 office. A person who meets the qualifications of both a producer and
26 a dealer as set forth in this section may serve as either a producer
27 member or a dealer member.

28 **Sec. 3.** RCW 15.24.030 and 1989 c 354 s 55 are each amended to read
29 as follows:

30 Thirteen persons, not including the director or the director's
31 representative, with the qualifications stated in RCW 15.24.020 shall
32 be ((elected)) members of ((said)) the commission. ((Four of the
33 grower members, being positions one, two, three and four, shall be from
34 grower district No. 1, at least one of whom shall be a resident of and
35 engaged in growing and producing apples in Okanogan county; four of the
36 grower members, being positions five, six, seven and eight, from grower
37 district No. 2; and one grower member, being position nine from grower

2 ~~eleven, shall be from dealer district No. 1; and two of the dealer~~
3 ~~members, being positions twelve and thirteen, shall be from dealer~~
4 ~~district No. 2.~~

5 ~~The commission shall have authority in its discretion to establish~~
6 ~~by regulation one or more subdivisions of grower district No. 1 and one~~
7 ~~or more subdivisions of grower district No. 2; provided that each of~~
8 ~~the same includes a substantial apple producing district or districts,~~
9 ~~and provided the same does not result in an unfair or inequitable~~
10 ~~voting situation or an unfair or inequitable representation of apple~~
11 ~~growers on said commission. In such event each of said subdivisions~~
12 ~~shall be entitled to be represented by one of the said grower members~~
13 ~~of the commission, who shall be elected by vote of the qualified apple~~
14 ~~growers in said subdivision of said district, and who shall be a~~
15 ~~resident of and engaged in growing and producing apples in said~~
16 ~~subdivision.)) Nine of the members shall be producer members, and four~~

18 ~~appointed from each grower district shall be determined in accordance~~
19 ~~with the relative acreages of planted commercial apple orchards within~~
20 ~~the various districts as of July 1, 2003, according to the most recent~~
21 ~~census of acreages published by the United States department of~~
22 ~~agriculture, agricultural statistics service. The number of producer~~
23 ~~members to be appointed from each of the grower districts shall be~~
24 ~~subject to readjustment every ten years thereafter in accordance with~~
25 ~~the then most recent census of acreages of planted commercial apple~~
26 ~~orchards published by the United States department of agriculture,~~
27 ~~agricultural statistics service. In the event the information from the~~
28 ~~United States department of agriculture's agricultural statistics~~
29 ~~service is not published with respect to the specifically defined~~
30 ~~districts, the commission shall adopt rules to establish equitable~~
31 ~~apportionment based on the available information. However, at all~~
32 ~~times at least two producer members shall be from district 1, one of~~
33 ~~which shall be from Okanogan county; district 2 shall never have fewer~~
34 ~~than two producer members; and district 3 shall never have fewer than~~
35 ~~one producer member. The commission shall adopt rules to effect the~~
36 ~~efficient transition of reapportioned positions.~~

38 ~~be three years from March 1 following their ((election)) appointment by~~

1 the director and until their successors are (~~elected and qualified~~)
2 appointed. The commission shall hold its annual meeting during the
3 month of March each year (~~for the purpose of electing officers and the~~

13 appointment for the remainder of their current terms. Thereafter, the
14 director shall appoint commission members pursuant to the commission
15 structure set forth in RCW 15.24.030 as the current commission member
16 terms expire. As part of the transition, in order to achieve proper
17 representation of producer members relative to planted acreages, as
18 each current producer position expires the director shall appoint a
19 replacement producer member from the district then most
20 underrepresented until the initial balance of representation is
21 achieved. Notwithstanding other provisions of this chapter,
22 nominations for transitioning positions required for underrepresented
23 districts shall be made from the district to be represented by the new
24 commission member. Thereafter, reallocations shall be accomplished as
25 provided in RCW 15.24.030.

27 of the commission.

34 positions and to affected dealers for dealer positions and shall be
35 returned to the commission not less than thirty days prior to the
36 commencement of the term. The advisory ballot shall be conducted in a

1 manner so that it is a secret ballot. The names of the two candidates

10 potential appointment shall submit to the director a letter stating why
11 he or she wishes to be appointed to the commission. The director may

13 or a majority for decreases, of the producers voting; and approval of
14 voting producers who operate at least two-thirds for increases, or a
15 majority for decreases, of the acreage voted in the same election, the
16 commission shall thereupon decrease or increase the assessment to a sum
17 determined by the commission to be necessary for those purposes (~~(based~~
18 ~~upon a rate per one hundred pounds of apples, gross billing weight,~~
19 ~~shipped in bulk, container, or any style of package or reasonable~~
20 ~~equivalent net product assessment as determined by the commission)).~~
21 However, if a different rate is determined for any specific variety or
22 for fresh apples sliced or cut for raw consumption, that different rate
23 must be applied to that variety or those sliced or cut apples. A
24 decrease or an increase becomes effective sixty days after the
25 resolution is adopted or on any other date provided for in the
26 resolution, but shall be first referred by the commission to a
27 referendum mail ballot by the apple growers of this state conducted
28 under the supervision of the director and be approved by ~~((a majority))~~
29 at least two-thirds for increases, or a majority for decreases, of the
30 growers voting on it and also be approved by voting growers who operate
31 ~~((more than fifty percent))~~ at least two-thirds for increases, or a
32 majority for decreases, of the acreage voted in the same election.
33 After the mail ballot, if favorable to the increase or decrease, the
34 commission shall nevertheless exercise its independent judgment and
35 discretion as to whether or not to approve the increase or decrease.~~

36 **Sec. 11.** RCW 15.24.100 and 2002 c 313 s 123 are each amended to
37 read as follows:

1 (1) Subject to subsection (2) of this section, there is hereby
2 levied upon all fresh apples grown annually in this state, and all
3 apples packed as Washington apples, including fresh sliced, an
4 assessment of ((~~twelve cents on each one hundred pounds gross billing~~))
5 eight and seventy-five one-hundredths cents per one hundred pounds of
6 apples, based on net shipping weight, or reasonable equivalent net
7 product assessment measurement((~~7~~)) as determined by the commission,
8 plus such annual decreases or increases thereof as are imposed pursuant
9 to the provisions of RCW 15.24.090. All moneys collected hereunder
10 shall be expended to effectuate the purpose and objects of this
11 chapter.

12 (2) No sooner than five years from the effective date of this
13 section, a petition may be filed with the commission to reduce the
14 assessment authorized in this section to zero. To be valid, the
15 petition must be signed by at least eight percent of all apple growers
16 eligible to vote in commission referendum elections. The petition
17 shall contain the name of a person designated to represent the
18 petitioners.

19 (a) Upon receipt of a valid petition, the commission shall prepare
20 a document discussing the substance of the petition. A statement in
21 favor of the petition shall be written by the proponents of the
22 petition. A statement opposing the petition may be written by the
23 commission or an opponent. The document and a notice of public hearing
24 shall be sent to apple growers eligible to vote in commission
25 referendum elections at least twenty days prior to the scheduled public
26 hearings. The commission shall hold public hearings in Yakima and
27 Wenatchee on the petition.

28 (b) Following the public hearings, the question of whether to
29 reduce the assessment authorized in this section to zero shall be
30 referred to a referendum mail ballot. The commission shall certify to
31 the director a list of apple growers eligible to vote in commission
32 referendum elections. The referendum shall be conducted and supervised
33 by the director using the certified list. Inadvertent failure to
34 notify an affected grower does not invalidate a referendum.

35 (c) The referendum will be approved if a simple majority of apple
36 growers voting in the referendum election vote in favor of the
37 elimination of the assessment. The director will certify the results
38 of the vote.

1 (d) The referendum vote shall be binding and may not be overturned
2 by action of the commission or director. If the referendum is
3 approved, the commission shall immediately commence activities to wind
4 down its operations. However, the elimination of the assessment shall
5 not be effective until six months from the date the referendum result
6 is certified by the director. If the referendum fails, neither the
7 commission nor the director will take further action on the petition.

8 (e) The commission is responsible for all its own costs and all the
9 director's costs associated with the hearing, notice, and referendum
10 process. A subsequent petition may not be filed any sooner than five
11 years following the certification of the results of any previously held
12 referendum conducted under this subsection.

13 **Sec. 12.** RCW 15.24.110 and 2002 c 313 s 124 are each amended to
14 read as follows:

15 The assessments on fresh apples shall be paid, or provision made
16 therefor satisfactory to the commission, prior to shipment, and no
17 fresh apples shall be carried, transported, or shipped by any person or
18 by any carrier, railroad, truck, boat, or other conveyance until the
19 assessment has been paid or provision made therefor satisfactory to the
20 commission.

21 The commission shall by rule prescribe the method of collection,
22 and for that purpose may require stamps to be known as "Washington
23 apple stamps" to be purchased from the commission and attached to the
24 containers, invoices, shipping documents, inspection certificates,
25 releases, or receiving receipts or tickets. Rule-making procedures
26 conducted under this section are exempt from the provisions of RCW
27 43.135.055 when adoption of the rule or rules is determined by a
28 referendum vote of the persons taxed under this chapter.

29 The commission may also collect assessments imposed under RCW
30 15.26.120, and in that event, the commission shall establish and be
31 reimbursed by the Washington tree fruit research commission an amount
32 representing a reasonable approximation of the actual costs to the
33 commission of such collection.

34 **Sec. 13.** RCW 15.24.160 and 2002 c 313 s 126 are each amended to
35 read as follows:

36 To maintain and complement the existing comprehensive regulatory

1 scheme, the commission may employ, designate as agent, act in concert
2 with, and enter into contracts with any person, council, or commission,
3 including but not limited to the director, state agencies such as the
4 Washington state fruit commission and its successors, statewide
5 horticultural associations, organizations or associations engaged in
6 tracking the movement and marketing of horticultural products, and
7 organizations or associations of horticultural growers, for the purpose
8 of promoting the general welfare of the apple industry and particularly
9 for the purpose of assisting in the sale and distribution of apples in
10 domestic or foreign commerce, and expend its funds or such portion
11 thereof as it may deem necessary or advisable for such purpose and for
12 the purpose of paying its proportionate share of the cost of any
13 program providing direct or indirect assistance to the sale and
14 distribution of apples in domestic or foreign commerce. For such
15 purposes it may employ and pay for legal counsel and contract and pay
16 for other professional services. (~~Neither the state, nor any member,
17 agent, or employee of the commission, is liable for the acts of the
18 commission, or upon its contracts.~~) The liability of the state for the
19 acts of the commission, or upon its contracts, shall be limited solely
20 to the assets of the commission. In any civil or criminal action or
21 proceeding for violation of any (~~rule of [or] statutory~~) statute,
22 including a rule adopted under that statute, or common law against
23 monopolies or combinations in restraint of trade, including any action
24 under chapter 19.86 RCW, proof that the act complained of was done in
25 compliance with the provisions of this chapter, and in furtherance of
26 the purposes and provisions of this chapter, is a complete defense to
27 such an action or proceeding.

28 **Sec. 14.** RCW 15.24.190 and 1987 c 393 s 4 are each amended to read
29 as follows:

30 Obligations incurred by the commission and any other liabilities or
31 claims against the commission shall be enforced only against the assets
32 of the commission, and, except to the extent of such assets, no
33 liability for the debts or actions of the commission exists against
34 either the state of Washington or any subdivision or instrumentality
35 thereof, or against any member, employee, or agent of the commission in
36 his or her individual capacity. Except as otherwise provided in this
37 chapter, neither the members of the commission nor its employees may be

1 held individually responsible for errors in judgment, mistakes, or
2 other acts, either of commission or omission, as principal, agent,
3 person, or employee, save for their own individual acts of dishonesty
4 or crime. No such person or employee may be held responsible
5 individually for any act or omission of any other member of the
6 commission. The liability of the members of the commission shall be
7 several and not joint, and no member is liable for the default of any
8 other member. This provision confirms that commissioners have been,
9 and continue to be, state officers or volunteers for purposes of RCW
10 4.92.075 and are entitled to the defenses, indemnifications,
11 limitations of liability, and other protections and benefits of chapter
12 4.92 RCW, as provided in that chapter.

13 NEW SECTION. Sec. 15. Sections 1, 4, 5, and 8 of this act are
14 each added to chapter 15.24 RCW.

15 NEW SECTION. Sec. 16. If any section, subsection, sentence,
16 clause, or part of this act is for any reason held to be invalid or
17 unconstitutional, the judicial decision does not affect the remainder
18 of this act and its application to other persons or circumstances. The
19 legislature declares that each section, subsection, sentence, clause,
20 and part of this act was enacted with the intent that if any portion of
21 this act is severed, the remainder of this act is capable of
22 accomplishing its legislative purpose.
