4 of payment may act as an incentive for the worker to encourage a person  
5 to sign a petition which the person is not qualified to sign or to sign  
6 a petition for a ballot measure even if the person has already signed  
7 a petition for the measure. Such payments also threaten the integrity  
8 of the initiative and referendum process by providing an incentive for  
9 misrepresenting the nature or effect of a ballot measure in securing  
10 petition signatures for the measure.
