36 local comprehensive solid waste management plans. The commission may

1 order consolidated billing and provide for reasonable and necessary
2 expenses to be paid to the administering company if more than one

10 operate as a solid waste collection company for a period of at least
11 one year preceding the filing of the complaint, may suspend, revoke,
12 alter, or amend any certificate issued under the provisions of this
13 chapter.

15 as follows:

21 complying with the solid waste management plan prepared under chapter
22 70.95 RCW applicable in the company's franchise area.

37 opportunity for a hearing, issue the certificate only if the existing

1 solid waste collection company or companies serving the territory will
2 not provide service to the satisfaction of the commission or if the
3 existing solid waste collection company does not object.

4 In all other cases, the commission may, with or without hearing,
5 issue certificates, or for good cause shown refuse to issue them, or
6 issue them for the partial exercise only of the privilege sought, and
7 may attach to the exercise of the rights granted such terms and
8 conditions as, in its judgment, the public convenience and necessity
9 may require.

10 Any right, privilege, certificate held, owned, or obtained by a
11 solid waste collection company may be sold, assigned, leased,
12 transferred, or inherited as other property, but only upon
13 authorization by the commission.

14 Any solid waste collection company which upon July 1, 1961 is
15 operating under authority of a common carrier or contract carrier
16 permit issued under the provisions of chapter 81.80 RCW shall be
17 granted a certificate of necessity without hearing upon compliance with
18 the provisions of this chapter. Such solid waste collection company
19 which has paid the plate fee and gross weight fees required by chapter

21 like fees under the provisions of this chapter for the remainder of
22 such year.

31 (1) Upon the filing of an application the commission shall give
32 reasonable notice to the department, affected cities and counties, and
33 any common carrier which might be adversely affected, of the time and
34 place for hearing on such application. The commission shall have power
35 after notice and an opportunity for a hearing, to issue the certificate
36 as prayed for, or to refuse to issue it, or to issue it for the partial
37 exercise only of the privilege sought, and may attach to the exercise

1 of the rights granted by said certificate such terms and conditions as
2 in its judgment the public convenience and necessity may require; but
3 the commission shall not have power to grant a certificate to operate
4 between districts and/or into any territory prohibited by RCW 47.60.120
5 or already served by an existing certificate holder, unless such
6 existing certificate holder has failed or refused to furnish reasonable
7 and adequate service ~~((or))~~, has failed to provide the service
8 described in its certificate or tariffs after the time period allowed
9 to initiate service has elapsed, or has not objected to the issuance of
10 the certificate as prayed for: PROVIDED, A certificate shall be

12 the commercial ferry was actually operating in good faith over the
13 route for which such certificate shall be sought, on January 15, 1927:
14 PROVIDED, FURTHER, That in case two or more commercial ferries shall
15 upon said date have been operating vessels upon the same route, or
16 between the same districts the commission shall determine after public
17 hearing whether one or more certificates shall issue, and in
18 determining to whom a certificate or certificates shall be issued, the
19 commission shall consider all material facts and circumstances
20 including the prior operation, schedules, and services rendered by
21 either of the ferries, and in case more than one certificate shall
22 issue, the commission shall fix and determine the schedules and
23 services of the ferries to which the certificates are issued to the end
24 that duplication of service be eliminated and public convenience be
25 furthered.

26 (2) Before issuing a certificate, the commission shall determine
27 that the applicant has the financial resources to operate the proposed
28 service for at least twelve months, based upon the submission by the
29 applicant of a pro forma financial statement of operations. Issuance
30 of a certificate shall be determined upon, but not limited to, the
31 following factors: Ridership and revenue forecasts; the cost of
32 service for the proposed operation; an estimate of the cost of the
33 assets to be used in providing the service; a statement of the total
34 assets on hand of the applicant that will be expended on the proposed
35 operation; and a statement of prior experience, if any, in such field
36 by the applicant. The documentation required of the applicant under
37 this section shall comply with the provisions of RCW 9A.72.085.

1 (3) Subsection (2) of this section does not apply to an application
2 for a certificate that is pending as of July 25, 1993.

3 NEW SECTION. **Sec. 8.** A new section is added to chapter 81.68 RCW
4 to read as follows:

5 The commission may, with or without a hearing, issue temporary
6 certificates to engage in the business of operating an auto
7 transportation company, but only after it finds that the issuance of
8 the temporary certificate is consistent with the public interest. The
9 temporary certificate may be issued for a period up to one hundred
10 eighty days. The commission may prescribe rules and impose terms and
11 conditions as in its judgment are reasonable and necessary in carrying
12 out this chapter. The commission may by rule, prescribe a fee for an
13 application for the temporary certificate. The commission shall not
14 issue a temporary certificate to operate in a territory: (1) For which
15 a certificate has been issued, unless the existing certificate holder,
16 upon twenty days' notice, does not object to the issuance of the
17 certificate or is not providing service; or (2) for which an
18 application is pending unless the filing for a temporary certificate is
19 made by the applicant or the applicant does not object to the issuance
20 of the certificate.
