5 new sections to chapter 51.08 RCW; adding a new section to chapter  
6 51.32 RCW; providing an effective date; and declaring an emergency.

7 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

8 NEW SECTION. **Sec. 1.** A new section is added to chapter 51.08 RCW  
9 to read as follows:

10 "Inflation" means the percentage change in the implicit price  
11 deflator for personal consumption expenditures for the United States as  
12 published for the most recent twelve-month period by the bureau of  
13 economic analysis of the federal department of commerce in September of  
14 the year before a June 30th determination.

15 **Sec. 2.** RCW 51.08.178 and 1988 c 161 s 12 are each amended to read  
16 as follows:

17 ~~((1) For the purposes of this title, the monthly wages the worker~~  
18 ~~was receiving from all employment at the time of injury shall be the~~

1 ~~basis upon which compensation is computed unless otherwise provided~~  
2 ~~specifically in the statute concerned. In cases where the worker's~~  
3 ~~wages are not fixed by the month, they shall be determined by~~  
4 ~~multiplying the daily wage the worker was receiving at the time of the~~  
5 ~~injury:~~

6 ~~(a) By five, if the worker was normally employed one day a week;~~

7 ~~(b) By nine, if the worker was normally employed two days a week;~~

8 ~~(c) By thirteen, if the worker was normally employed three days a~~  
9 ~~week;~~

10 ~~(d) By eighteen, if the worker was normally employed four days a~~  
11 ~~week;~~

12 ~~(e) By twenty two, if the worker was normally employed five days a~~  
13 ~~week;~~

14 ~~(f) By twenty six, if the worker was normally employed six days a~~  
15 ~~week;~~

16 ~~(g) By thirty, if the worker was normally employed seven days a~~  
17 ~~week.~~

18 ~~The term "wages" shall include the reasonable value of board,~~  
19 ~~housing, fuel, or other consideration of like nature received from the~~  
20 ~~employer as part of the contract of hire, but shall not include~~  
21 ~~overtime pay except in cases under subsection (2) of this section.~~  
22 ~~However, tips shall also be considered wages only to the extent such~~  
23 ~~tips are reported to the employer for federal income tax purposes. The~~  
24 ~~daily wage shall be the hourly wage multiplied by the number of hours~~  
25 ~~the worker is normally employed. The number of hours the worker is~~  
26 ~~normally employed shall be determined by the department in a fair and~~  
27 ~~reasonable manner, which may include averaging the number of hours~~  
28 ~~worked per day.~~

29 ~~(2) In cases where (a) the worker's employment is exclusively~~  
30 ~~seasonal in nature or (b) the worker's current employment or his or her~~  
31 ~~relation to his or her employment is essentially part time or~~  
32 ~~intermittent, the monthly wage shall be determined by dividing by~~  
33 ~~twelve the total wages earned, including overtime, from all employment~~  
34 ~~in any twelve successive calendar months preceding the injury which~~  
35 ~~fairly represent the claimant's employment pattern.~~

36 ~~(3) If, within the twelve months immediately preceding the injury,~~  
37 ~~the worker has received from the employer at the time of injury a bonus~~

1 ~~as part of the contract of hire, the average monthly value of such~~  
2 ~~bonus shall be included in determining the worker's monthly wages.~~

3 ~~(4) In cases where a wage has not been fixed or cannot be~~  
4 ~~reasonably and fairly determined, the monthly wage shall be computed on~~  
5 ~~the basis of the usual wage paid other employees engaged in like or~~  
6 ~~similar occupations where the wages are fixed.)) (1) "Wages" means the~~  
7 ~~gross cash compensation paid by the employer for services performed.~~

8 (2) "Cash" means payment in cash, by check, by electronic transfer,  
9 or by other means made directly to the worker at the end of each pay  
10 period before any mandatory deductions required by state or federal  
11 law.

12 (3) The worker's monthly wage shall be determined by dividing by  
13 twelve the total wages earned from all employment, including cash  
14 bonuses and overtime pay, in any four successive quarters in the  
15 twenty-four months preceding the injury or manifestation of  
16 occupational disease that most reasonably represents the worker's  
17 wages.

18 (a) Tips shall be considered wages only to the extent that such  
19 tips are reported to the employer for federal income tax purposes.

20 (b) Wages shall include the actual value of board, housing, and  
21 fuel received from the employer as part of the contract of hire and for  
22 which an internal revenue service form 1099 is required. This  
23 subsection does not apply during any period in which the employer  
24 continues to provide, through a past or current payment, board,  
25 housing, and/or fuel that were provided to the employee at the time of  
26 the injury or manifestation of occupational disease.

27 (c) Wages shall not include fringe benefits. Fringe benefits are  
28 any consideration given to a worker in addition to wages including, but  
29 not limited to: Retirement and financial benefit plans of whatever  
30 nature; mental and physical health insurance and treatment of whatever  
31 nature; life, disability, and wage-replacement insurance of whatever  
32 nature; unused, accrued leave of whatever nature; memberships of  
33 whatever nature; employee discounts or use or consumption of employer  
34 services, materials, equipment, and facilities of whatever nature;  
35 training and education of whatever nature; and other employee or  
36 beneficiary benefit plan for the employee's or beneficiaries' benefit  
37 resulting from the employment relationship.

1       (4) In cases where the worker is self-employed or the worker's  
2 monthly wage cannot be reasonably determined under subsection (3) of  
3 this section due to the worker sustaining an injury or occupational  
4 disease less than one year after beginning an employment relationship  
5 that both the worker and the employer intend to be continuous and  
6 lasting without limit into the foreseeable future, and which provides  
7 wages, on an annualized basis, of greater than one hundred fifty  
8 percent of wages earned by the worker in the twelve months before  
9 beginning such employment, the monthly wage shall be computed on the  
10 basis of the usual wage paid other employees of the employer at the  
11 time of injury or manifestation of occupational disease who perform  
12 like job duties with like work patterns or, if none exist, other  
13 employees in the worker's labor market who perform like job duties with  
14 like work patterns.

15       (5) In cases where the worker's monthly wage cannot be reasonably  
16 determined under subsection (3) of this section due to the worker  
17 sustaining an injury or occupational disease less than one year after  
18 beginning an employment relationship that either the worker or the  
19 employer do not intend to be continuous and lasting without limit into  
20 the foreseeable future, or which provides wages, on an annualized  
21 basis, of fifty percent or less of wages earned by the worker in the  
22 twelve months before beginning such employment, the monthly wage shall  
23 be computed on the basis of the usual wage paid other employees of the  
24 employer at the time of injury or manifestation of occupational disease  
25 who perform like job duties with like work patterns, or, if none exist,  
26 other employees in the worker's labor market who perform like job  
27 duties with like work patterns.

28       (6) If the employer or department cannot obtain sufficient accurate  
29 information to calculate the worker's wages pursuant to subsection (3)  
30 of this section before the first payment of temporary total disability  
31 compensation is due, payments may be made provisionally based upon the  
32 worker's wages on the date of injury or manifestation of occupational  
33 disease. For purposes of this subsection only, "wages" means the gross  
34 cash compensation paid by the employer for services performed. "Cash"  
35 means payment in cash, by check, by electronic transfer, or by other  
36 means made directly to the worker at the end of each pay period before  
37 any mandatory deductions required by state or federal law.

1       **Sec. 3.** RCW 51.28.040 and 1977 ex.s. c 199 s 1 are each amended to  
2 read as follows:

3       ~~((If change of circumstances warrants an increase or rearrangement~~  
4 ~~of compensation, like application shall be made therefor.))~~ Where the  
5 worker's application to reopen a claim has been granted under RCW  
6 51.32.160, compensation and other benefits if in order shall be allowed  
7 for periods of time up to sixty days prior to the receipt of such  
8 application.

9       **Sec. 4.** RCW 51.32.050 and 1995 c 199 s 6 are each amended to read  
10 as follows:

12 occupational disease before July 1, 2003, where death results from the  
13 injury, the expenses of burial not to exceed two hundred percent of the  
14 average monthly wage in the state as defined in RCW 51.08.018 shall be  
15 paid.

16       (b) For claims with date of injury or manifestation of occupational  
17 disease on or after July 1, 2003, where death results from the injury,  
18 the expenses of burial shall be paid, not to exceed an amount  
19 determined by the department on June 30, 2002, and each June 30th  
20 thereafter, and applicable to claims filed with respect to injuries  
21 occurring in the twelve-month period following the June 30th  
22 determination. The amount is determined by adjusting the amount  
23 applicable during the previous twelve-month period to account for  
24 inflation.

25       (2)(a)(i) For claims with date of injury or manifestation of  
26 occupational disease before July 1, 2003, where death results from the  
27 injury, a surviving spouse of a deceased worker eligible for benefits  
28 under this title shall receive monthly for life or until remarriage

1 in the legal custody of such spouse, sixty-four percent of the wages of  
2 the deceased worker but not less than two hundred fifty-three dollars;

3 ~~((+iv+))~~ (D) If there are three children of the deceased worker and  
4 in the legal custody of such spouse, sixty-six percent of the wages of  
5 the deceased worker but not less than two hundred seventy-six dollars;

18 remarriage payments of sixty-five and five-tenths percent of the wages  
19 of the deceased worker, but not less than two hundred seventy-six  
20 dollars.

21 (b) Where the surviving spouse does not have legal custody of any  
22 child or children of the deceased worker or where after the death of  
23 the worker legal custody of such child or children passes from such  
24 surviving spouse to another, any payment on account of such child or  
25 children not in the legal custody of the surviving spouse shall be made  
26 to the person or persons having legal custody of such child or  
27 children. The amount of such payments shall be five percent of the  
28 monthly benefits payable as a result of the worker's death for each  
29 such child but such payments shall not exceed twenty-five percent.  
30 Such payments on account of such child or children shall be subtracted  
31 from the amount to which such surviving spouse would have been entitled  
32 had such surviving spouse had legal custody of all of the children and  
33 the surviving spouse shall receive the remainder after such payments on  
34 account of such child or children have been subtracted. Such payments  
35 on account of a child or children not in the legal custody of such

10 the death of the worker, legal custody of such child or children passes  
11 from such surviving spouse to another, any payment on account of such  
12 child or children not in the legal custody of the surviving spouse

18 applicable percentage of the average monthly wage in the state as  
19 computed under RCW 51.08.018 as follows:

20	AFTER	PERCENTAGE
21	June 30, 1993	105%
22	June 30, 1994	110%
23	June 30, 1995	115%
24	June 30, 1996	120%

31 provided in this subsection may not exceed an amount determined by the  
32 department on June 30, 2003, and each June 30th thereafter, and  
33 applicable to claims with date of injury or manifestation of  
34 occupational disease in the twelve-month period following the June 30th  
35 determination. The amount is determined by adjusting the June 30,

1 2003, amount for inflation on June 30, 2004. In subsequent years, the  
2 department shall adjust the amount applicable during the previous  
3 twelve-month period to account for inflation.

4 (e) In addition to the monthly payments provided for in subsection  
5 (2)(a) through (c) of this section, a surviving spouse or child or  
6 children of such worker if there is no surviving spouse, or dependent  
7 parent or parents, if there is no surviving spouse or child or children

18 (i) Receiving, once and for all, a lump sum of twenty-four times  
19 the monthly compensation rate in effect on the date of remarriage  
20 allocable to the spouse for himself or herself pursuant to subsection  
21 (2)(a)(i)(A) of this section and subject to any modifications specified

25 occurred prior to July 28, 1991, the remarriage benefit lump sum  
26 available shall be as provided in the remarriage benefit schedules then  
27 in effect; or

28 (ii) If a surviving spouse does not choose the option specified in  
29 subsection (2)(f)(i) of this section to accept the lump sum payment,  
30 the remarriage of the surviving spouse of a worker shall not bar him or  
31 her from claiming the lump sum payment authorized in subsection  
32 (2)(f)(i) of this section during the life of the remarriage, or shall  
33 not prevent subsequent monthly payments to him or to her if the  
34 remarriage has been terminated by death or has been dissolved or  
35 annulled by valid court decree provided he or she has not previously  
36 accepted the lump sum payment.

37 (g) If the surviving spouse during the remarriage should die  
38 without having previously received the lump sum payment provided in

1 subsection (2)(f)(i) of this section, his or her estate shall be  
2 entitled to receive the sum specified under subsection (2)(f)(i) of  
3 this section or fifty percent of the then remaining annuity value of  
4 his or her pension whichever is the lesser.

6 (2)(f)(ii) of this section to a surviving spouse based upon termination  
7 of a remarriage by death, annulment, or dissolution shall be the date  
8 of the death or the date the judicial decree of annulment or  
9 dissolution becomes final and when application for the payments has  
10 been received.

11 (i) If it should be necessary to increase the reserves in the  
12 reserve fund or to create a new pension reserve fund as a result of the  
13 amendments in chapter 45, Laws of 1975-'76 2nd ex. sess., the amount of  
14 such increase in pension reserve in any such case shall be transferred  
15 to the reserve fund from the supplemental pension fund.

16 (3) If there is a child or children and no surviving spouse of the  
17 deceased worker or the surviving spouse is not eligible for benefits  
18 under this title, a sum equal to thirty-five percent of the wages of  
19 the deceased worker shall be paid monthly for one child and a sum  
20 equivalent to fifteen percent of such wage shall be paid monthly for  
21 each additional child, the total of such sum to be divided among such

26 subsection (4) of this section shall not exceed the lesser of sixty-  
27 five percent of the wages of the deceased worker at the time of his or  
28 her death or the applicable percentage of the average monthly wage in  
29 the state as defined in RCW 51.08.018, as follows:

June 30, 1996	120%

35 (b) For claims with date of injury or manifestation of occupational  
36 disease on or after July 1, 2003, but before June 30, 2004, the monthly

1 payments provided in this subsection may not exceed one hundred twenty  
2 percent of the average monthly wage in the state on June 30, 2003. For  
3 all claims with date of injury or manifestation of occupational disease  
4 on or after July 1, 2004, the monthly payments provided in this  
5 subsection may not exceed an amount determined by the department on  
6 June 30, 2003, and each June 30th thereafter, and applicable to claims  
7 with date of injury or manifestation of occupational disease in the  
8 twelve-month period following the June 30th determination. The amount  
9 is determined by adjusting the June 30, 2003, amount for inflation on  
10 June 30, 2004. In subsequent years, the department shall adjust the  
11 amount applicable during the previous twelve-month period to account  
12 for inflation.

13 (4) In the event a surviving spouse receiving monthly payments  
14 dies, the child or children of the deceased worker shall receive the  
15 same payment as provided in subsection (3) of this section.

16 (5)(a) If the worker leaves no surviving spouse or child, but  
17 leaves a dependent or dependents, a monthly payment shall be made to  
18 each dependent as follows:

19 (i) For claims with date of injury or manifestation of occupational  
20 disease before July 1, 2003, the monthly payment shall be equal to  
21 fifty percent of the average monthly support actually received by such  
22 dependent from the worker during the twelve months next preceding the  
23 occurrence of the injury, but the total payment to all dependents in  
24 any case shall not exceed the lesser of sixty-five percent of the wages  
25 of the deceased worker at the time of his or her death or the  
26 applicable percentage of the average monthly wage in the state as  
27 defined in RCW 51.08.018 as follows:

28	AFTER	PERCENTAGE
29	June 30, 1993	105%
30	June 30, 1994	110%
31	June 30, 1995	115%
32	June 30, 1996	120%

33 (ii) For claims with date of injury or manifestation of  
34 occupational disease on or after July 1, 2003, but before June 30,  
35 2004, the monthly payments provided in this subsection may not exceed  
36 one hundred twenty percent of the average monthly wage in the state on

7 June 30th determination. The amount is determined by adjusting the  
8 June 30, 2003, amount for inflation on June 30, 2004. In subsequent  
9 years, the department shall adjust the amount applicable during the  
10 previous twelve-month period to account for inflation.

11 (b) If any dependent is under the age of eighteen years at the time  
12 of the occurrence of the injury, the payment to such dependent shall  
13 cease when such dependent reaches the age of eighteen years except such  
14 payments shall continue until the dependent reaches age twenty-three  
15 while permanently enrolled at a full time course in an accredited  
16 school. The payment to any dependent shall cease if and when, under  
17 the same circumstances, the necessity creating the dependency would  
18 have ceased if the injury had not happened.

19 (6) For claims filed prior to July 1, 1986, if the injured worker  
20 dies during the period of permanent total disability, whatever the  
21 cause of death, leaving a surviving spouse, or child, or children, the  
22 surviving spouse or child or children shall receive benefits as if

24 (4) of this section. Upon remarriage or death of such surviving  
25 spouse, the payments to such child or children shall be made as  
26 provided in subsection (2) of this section when the surviving spouse of

34 supervisor of industrial insurance (~~shall~~) determines that permanent  
35 total disability results from the injury, the worker shall receive  
36 monthly during the period of such disability:

1 (a) If married at the time of injury, sixty-five percent of his or  
2 her wages but not less than two hundred fifteen dollars per month.

17 hundred fifty-two dollars per month.

18 (g) If unmarried at the time of the injury, sixty percent of his or  
19 her wages but not less than one hundred eighty-five dollars per month.

20 (h) If unmarried with one child at the time of injury, sixty-two  
21 percent of his or her wages but not less than two hundred twenty-two  
22 dollars per month.

23 (i) If unmarried with two children at the time of injury,  
24 sixty-four percent of his or her wages but not less than two hundred  
25 fifty-three dollars per month.

26 (j) If unmarried with three children at the time of injury,  
27 sixty-six percent of his or her wages but not less than two hundred  
28 seventy-six dollars per month.

29 (k) If unmarried with four children at the time of injury,  
30 sixty-eight percent of his or her wages but not less than two hundred  
31 ninety-nine dollars per month.

32 (l) If unmarried with five or more children at the time of injury,  
33 seventy percent of his or her wages but not less than three hundred  
34 twenty-two dollars per month.

35 (2) For any claim with date of injury or manifestation of  
36 occupational disease on or after July 1, 2003, when the supervisor of  
37 industrial insurance determines that permanent total disability results  
38 from the injury, the worker shall receive monthly during the period of

1 such disability sixty-five and five-tenths percent of his or her wages  
2 as determined under RCW 51.08.178, but not less than two hundred  
3 seventy-six dollars per month.

4 (3) For any period of time where both husband and wife are entitled  
5 to compensation as temporarily or totally disabled workers, only that  
6 spouse having the higher wages of the two shall be entitled to claim  
7 their child or children for compensation purposes under subsection (1)  
8 of this section.

9 ((+3)) (4) In case of permanent total disability, if the character  
10 of the injury is such as to render the worker so physically helpless as  
11 to require the hiring of the services of an attendant, the department  
12 shall make monthly payments to such attendant for such services as long  
13 as such requirement continues, but such payments shall not obtain or be  
14 operative while the worker is receiving care under or pursuant to the  
15 provisions of chapter 51.36 RCW and RCW 51.04.105.

16 ((+4)) (5) Should any further accident result in the permanent  
17 total disability of an injured worker, he or she shall receive the  
18 pension to which he or she would be entitled, notwithstanding the  
19 payment of a lump sum for his or her prior injury.

20 ((+5) ~~In no event shall~~) (6)(a)(i) For claims filed before July 1,  
21 2003, the monthly payments provided in this section may not exceed the  
22 applicable percentage of the average monthly wage in the state as  
23 computed under the provisions of RCW 51.08.018 as follows:

	AFTER	PERCENTAGE
24		
25	June 30, 1993	105%
26	June 30, 1994	110%
27	June 30, 1995	115%
28	June 30, 1996	120%

29 (ii) For claims with date of injury or manifestation of  
30 occupational disease on or after July 1, 2003, but before June 30,  
31 2004, the monthly payments provided in this subsection may not exceed  
32 one hundred twenty percent of the average monthly wage in the state on  
33 June 30, 2003. For all claims with date of injury or manifestation of  
34 occupational disease on or after July 1, 2004, the monthly payments  
35 provided in this subsection may not exceed an amount determined by the  
36 department on June 30, 2003, and each June 30th thereafter, and

1 applicable to claims with date of injury or manifestation of  
2 occupational disease occurring in the twelve-month period following the  
3 June 30th determination. The amount is determined by adjusting the  
4 June 30, 2003, amount for inflation on June 30, 2004. In subsequent  
5 years, the department shall adjust the amount applicable during the  
6 previous twelve-month period to account for inflation.

7 (b) The limitations under this subsection shall not apply to the  
8 payments provided for in subsection (~~(3)~~) (4) of this section.

9 (~~(6)~~) (7) In the case of new or reopened claims, if the  
10 supervisor of industrial insurance determines that, at the time of  
11 filing or reopening, the worker is voluntarily retired and is no longer  
12 attached to the work force, benefits shall not be paid under this  
13 section.

14 (~~(7)~~) (8) The benefits provided by this section are subject to  
15 modification under RCW 51.32.067.

16 **Sec. 6.** RCW 51.32.072 and 1987 c 185 s 34 are each amended to read  
17 as follows:

18 (1)(a) Notwithstanding any other provision of law, every surviving  
19 spouse and every permanently totally disabled worker or temporarily  
20 totally disabled worker, if such worker was unmarried at the time of  
21 the worker's injury or was then married but the marriage was later  
22 terminated by judicial action, receiving a pension or compensation for  
23 temporary total disability under this title pursuant to compensation  
24 schedules in effect prior to July 1, 1971, shall after July 1, 1975,  
25 and until July 1, 2003, be paid fifty percent of the average monthly  
26 wage in the state as computed under RCW 51.08.018 per month and an  
27 amount equal to five percent of such average monthly wage per month to  
28 such totally disabled worker if married at the time of the worker's  
29 injury and the marriage was not later terminated by judicial action,  
30 and an additional two percent of such average monthly wage for each  
31 child of such totally disabled worker at the time of injury in the  
32 legal custody of such totally disabled worker or such surviving spouse  
33 up to a maximum of five such children. The monthly payments such  
34 surviving spouse or totally disabled worker are receiving pursuant to  
35 compensation schedules in effect prior to July 1, 1971 shall be  
36 deducted from the monthly payments above specified.

1       (b) Subject to subsection (2) of this section, where such a  
2 surviving spouse has remarried, or where any such child of such worker,  
3 whether living or deceased, is not in the legal custody of such worker  
4 or such surviving spouse there shall be paid for the benefit of and on  
5 account of each such child a sum equal to two percent of such average  
6 monthly wage up to a maximum of five such children in addition to any  
7 payments theretofore paid under compensation schedules in effect prior  
8 to July 1, 1971 for the benefit of and on account of each such child.  
9 In the case of any child or children of a deceased worker not leaving  
10 a surviving spouse or where the surviving spouse has later died, there  
11 shall be paid for the benefit of and on account of each such child a  
12 sum equal to two percent of such average monthly wage up to a maximum  
13 of five such children in addition to any payments theretofore paid  
14 under such schedules for the benefit of and on account of each such  
15 child.

16       (2) Beginning July 1, 2003, the monthly payments and the additional  
17 payments for the injured worker's spouse or children provided in this  
18 section may not exceed an amount determined by the department on June  
19 30, 2002, adjusted for inflation on June 30, 2003, and each June 30th  
20 thereafter, and applicable to payments made during the twelve-month  
21 period following the June 30th determination. The amount is determined  
22 by adjusting the amount applicable during the previous twelve-month  
23 period to account for inflation.

24       (3)(a) If the character of the injury or occupational disease is  
25 such as to render the worker so physically helpless as to require the  
26 hiring of the services of an attendant, the department shall make  
27 monthly payments to such attendant for such services as long as such  
28 requirement continues but such payments shall not obtain or be  
29 operative while the worker is receiving care under or pursuant to the  
30 provisions of this title except for care granted at the discretion of  
31 the supervisor pursuant to RCW 51.36.010: PROVIDED, That such payments  
32 shall not be considered compensation nor shall they be subject to any  
33 limitation upon total compensation payments.

34       (b) No part of such additional payments shall be payable from the  
35 accident fund.

36       (4) The director shall pay monthly from the supplemental pension  
37 fund such an amount as will, when added to the compensation theretofore

1 paid under compensation schedules in effect prior to July 1, 1971,  
2 equal the amounts hereinabove specified.

3 (5) In cases where money has been or shall be advanced to any such  
4 person from the pension reserve, the additional amount to be paid under  
5 this section shall be reduced by the amount of monthly pension which  
6 was or is predicated upon such advanced portion of the pension reserve.

7 **Sec. 7.** RCW 51.32.075 and 1988 c 161 s 7 are each amended to read  
8 as follows:

9 (1) Subject to subsection (2) of this section, the compensation or  
10 death benefits payable pursuant to the provisions of this chapter for  
11 temporary total disability, permanent total disability, or death  
12 arising out of injuries or occupational diseases shall be adjusted as  
13 follows:

14 ~~((1))~~ (a) On July 1, 1982, there shall be an adjustment for those  
15 whose right to compensation was established on or after July 1, 1971,  
16 and before July 1, 1982. The adjustment shall be determined by  
17 multiplying the amount of compensation to which they are entitled by a  
18 fraction, the denominator of which shall be the average monthly wage in  
19 the state under RCW 51.08.018 for the fiscal year in which such  
20 person's right to compensation was established, and the numerator of  
21 which shall be the average monthly wage in the state under RCW  
22 51.08.018 on July 1, 1982.

23 ~~((2))~~ (b) In addition to the adjustment established by  
24 ~~((subsection (1)))~~ (a) of this ~~((section))~~ subsection, there shall be  
25 another adjustment on July 1, 1983, for those whose right to  
26 compensation was established on or after July 1, 1971, and before July  
27 1983, which shall be determined by multiplying the amount of  
28 compensation to which they are entitled by a fraction, the denominator  
29 of which shall be the average monthly wage in the state under RCW  
30 51.08.018 for the fiscal year in which such person's right to  
31 compensation was established, and the numerator of which shall be the  
32 average monthly wage in the state under RCW 51.08.018 on July 1, 1983.

33 ~~((3))~~ (c) In addition to the adjustments under ~~((subsections (1)~~  
34 ~~and (2)))~~ (a) and (b) of this ~~((section))~~ subsection, further  
35 adjustments shall be made beginning on July 1, 1984, and on each July  
36 1st thereafter for those whose right to compensation was established on  
37 or after July 1, 1971. The adjustment shall be determined by

1 multiplying the amount of compensation to which they are entitled by a  
2 fraction, the denominator of which shall be the average monthly wage in  
3 the state under RCW 51.08.018 for the fiscal year in which such  
4 person's right to compensation was established, and the numerator of  
5 which shall be the average monthly wage in the state under RCW  
6 51.08.018 on July 1st of the year in which the adjustment is being  
7 made. The department or self-insurer shall adjust the resulting  
8 compensation rate to the nearest whole cent, not to exceed the average  
9 monthly wage in the state as computed under RCW 51.08.018.

10 (2) Beginning July 1, 2003, the annual adjustments provided for in  
11 this section shall be an amount determined by the department on June  
12 30, 2002, adjusted for inflation on June 30, 2003, and each June 30th  
13 thereafter, and applicable to payments made during the twelve-month  
14 period following the June 30th determination. The amount is determined  
15 by adjusting the amount applicable during the previous twelve-month  
16 period to account for inflation.

17 **Sec. 8.** RCW 51.32.080 and 1993 c 520 s 1 are each amended to read  
18 as follows:

19 (1)(a) Until July 1, 1993, for the permanent partial disabilities  
20 here specifically described, the injured worker shall receive  
21 compensation as follows:

22 (b) Beginning on July 1, 1993, compensation under this subsection  
 23 shall be computed as follows:

24 (i) Beginning on July 1, 1993, the compensation amounts for the  
 25 specified disabilities listed in (a) of this subsection shall be  
 26 increased by thirty-two percent; and

27 (ii) Beginning on July 1, 1994, and each July 1 thereafter, the  
 28 compensation amounts for the specified disabilities listed in (a) of  
 29 this subsection, as adjusted under (b)(i) of this subsection, shall be  
 30 readjusted to ~~((reflect the percentage change in the consumer price~~  
 31 ~~index, calculated as follows: The index for the calendar year~~

 36 ~~1st on which the respective calculation is made. For the purposes of~~

1 ~~this subsection, "index" means the same as the definition in RCW~~  
2 ~~2.12.037(1))~~ account for inflation.

3 (2) Compensation for amputation of a member or part thereof at a  
4 site other than those specified in subsection (1) of this section, and  
5 for loss of central visual acuity and loss of hearing other than  
6 complete, shall be in proportion to that which such other amputation or  
7 partial loss of visual acuity or hearing most closely resembles and  
8 approximates. Compensation shall be calculated based on the adjusted  
9 schedule of compensation in effect for the respective time period as  
10 prescribed in subsection (1) of this section.

11 (3)(a) Compensation for any other permanent partial disability not  
12 involving amputation shall be in the proportion which the extent of  
13 such other disability, called unspecified disability, shall bear to the  
14 disabilities specified in subsection (1) of this section, which most  
15 closely resembles and approximates in degree of disability such other  
16 disability, and compensation for any other unspecified permanent  
17 partial disability shall be in an amount as measured and compared to  
18 total bodily impairment. To reduce litigation and establish more  
19 certainty and uniformity in the rating of unspecified permanent partial  
20 disabilities, the department shall enact rules having the force of law  
21 classifying such disabilities in the proportion which the department  
22 shall determine such disabilities reasonably bear to total bodily  
23 impairment. In enacting such rules, the department shall give  
24 consideration to, but need not necessarily adopt, any nationally  
25 recognized medical standards or guides for determining various bodily  
26 impairments.

27 (b) Until July 1, 1993, for purposes of calculating monetary  
28 benefits under (a) of this subsection, the amount payable for total  
29 bodily impairment shall be deemed to be ninety thousand dollars.  
30 Beginning on July 1, 1993, for purposes of calculating monetary  
31 benefits under (a) of this subsection, the amount payable for total  
32 bodily impairment shall be adjusted as follows:

33 (i) Beginning on July 1, 1993, the amount payable for total bodily  
34 impairment under this section shall be increased to one hundred  
35 eighteen thousand eight hundred dollars; and

36 (ii) Beginning on July 1, 1994, and each July 1 thereafter, the  
37 amount payable for total bodily impairment prescribed in (b)(i) of this

1 subsection shall be adjusted as provided in subsection (1)(b)(ii) of  
2 this section.

3 (c) Until July 1, 1993, the total compensation for all unspecified  
4 permanent partial disabilities resulting from the same injury shall not  
5 exceed the sum of ninety thousand dollars. Beginning on July 1, 1993,  
6 total compensation for all unspecified permanent partial disabilities  
7 resulting from the same injury shall not exceed a sum calculated as  
8 follows:

9 (i) Beginning on July 1, 1993, the sum shall be increased to one  
10 hundred eighteen thousand eight hundred dollars; and

11 (ii) Beginning on July 1, 1994, and each July 1 thereafter, the sum  
12 prescribed in (b)(i) of this subsection shall be adjusted as provided  
13 in subsection (1)(b)(ii) of this section.

14 (4) If permanent partial disability compensation is followed by  
15 permanent total disability compensation, any portion of the permanent  
16 partial disability compensation which exceeds the amount that would  
17 have been paid the injured worker if permanent total disability  
18 compensation had been paid in the first instance, shall be deducted  
19 from the pension reserve of such injured worker and his or her monthly  
20 compensation payments shall be reduced accordingly.

21 (5) Should a worker receive an injury to a member or part of his or  
22 her body already, from whatever cause, permanently partially disabled,  
23 resulting in the amputation thereof or in an aggravation or increase in  
24 such permanent partial disability but not resulting in the permanent  
25 total disability of such worker, his or her compensation for such  
26 partial disability shall be adjudged with regard to the previous  
27 disability of the injured member or part and the degree or extent of  
28 the aggravation or increase of disability thereof.

29 (6) When the compensation provided for in subsections (1) through  
30 (3) of this section exceeds three times the average monthly wage in the  
31 state as computed under the provisions of RCW 51.08.018, payment shall  
32 be made in monthly payments in accordance with the schedule of  
33 temporary total disability payments set forth in RCW 51.32.090 until  
34 such compensation is paid to the injured worker in full, except that  
35 the first monthly payment shall be in an amount equal to three times  
36 the average monthly wage in the state as computed under the provisions  
37 of RCW 51.08.018, and interest shall be paid at the rate of eight  
38 percent on the unpaid balance of such compensation commencing with the

1 second monthly payment. However, upon application of the injured  
2 worker or survivor the monthly payment may be converted, in whole or in  
3 part, into a lump sum payment, in which event the monthly payment shall  
4 cease in whole or in part. Such conversion may be made only upon  
5 written application of the injured worker or survivor to the department  
6 and shall rest in the discretion of the department depending upon the  
7 merits of each individual application. Upon the death of a worker all  
8 unpaid installments accrued shall be paid according to the payment  
9 schedule established prior to the death of the worker to the widow or  
10 widower, or if there is no widow or widower surviving, to the dependent  
11 children of such claimant, and if there are no such dependent children,  
12 then to such other dependents as defined by this title.

13 (7) Awards payable under this section are governed by the schedule  
14 in effect on the date of injury.

15 **Sec. 9.** RCW 51.32.090 and 1993 c 521 s 3, 1993 c 299 s 1, and 1993  
16 c 271 s 1 are each reenacted and amended to read as follows:

17 (1) When the total disability is only temporary, the schedule of  
18 payments contained in RCW 51.32.060 (1) (~~and~~) or (2) and (3) shall  
19 apply, so long as the total disability continues.

20 (2) Any compensation payable under this section for children not in  
21 the custody of the injured worker as of the date of injury shall be  
22 payable only to such person as actually is providing the support for  
23 such child or children pursuant to the order of a court of record  
24 providing for support of such child or children. This subsection does  
25 not apply to claims filed on or after July 1, 2003.

26 (3)(a) As soon as recovery is so complete that the worker is  
27 capable of gainful employment on a reasonably continuous basis and the  
28 present earning power of the worker, at any kind of work, is restored  
29 to that existing at the time of the occurrence of the injury, the  
30 payments shall cease. If and so long as the present earning power is  
31 only partially restored and the worker is working, the payments shall:

32 (i) For claims for injuries that occurred before May 7, 1993,  
33 continue in the proportion which the new earning power shall bear to  
34 the old; or

35 (ii) For claims for injuries occurring on or after May 7, 1993,  
36 equal eighty percent of the actual difference between the worker's  
37 present wages and earning power at the time of injury, but: (A) The

1 total of these payments and the worker's present wages may not exceed  
2 one hundred fifty percent of the average monthly wage in the state as  
3 computed under RCW 51.08.018; (B) the payments may not exceed one  
4 hundred percent of the entitlement as computed under subsection (1) of  
5 this section; and (C) the payments may not be less than the worker  
6 would have received if (a)(i) of this subsection had been applicable to  
7 the worker's claim.

8 (b) No compensation shall be payable under this subsection (3)  
9 unless the loss of earning power shall exceed five percent.

10 (c) The injured worker remains eligible for the benefits provided  
11 in this subsection only until the injured worker's condition is  
12 medically fixed and stable.

13 (4)(a) Whenever the employer of injury requests that a worker who  
14 is entitled to temporary total disability under this chapter be  
15 certified by a physician as able to perform available work other than  
16 his or her usual work, the employer shall furnish to the physician,  
17 with a copy to the worker, a statement describing the work available  
18 with the employer of injury in terms that will enable the physician to  
19 relate the physical activities of the job to the worker's disability.  
20 The physician shall then determine whether the worker is physically  
21 able to perform the work described. The worker's temporary total  
22 disability payments shall continue until the worker is released by his  
23 or her physician for the work, and begins the work with the employer of  
24 injury. If the work thereafter comes to an end before the worker's  
25 recovery is sufficient in the judgment of his or her physician to  
26 permit him or her to return to his or her usual job, or to perform  
27 other available work offered by the employer of injury, the worker's  
28 temporary total disability payments shall be resumed. Should the  
29 available work described, once undertaken by the worker, impede his or  
30 her recovery to the extent that in the judgment of his or her physician  
31 he or she should not continue to work, the worker's temporary total  
32 disability payments shall be resumed when the worker ceases such work.

33 (b) Once the worker returns to work under the terms of this  
34 subsection (4), he or she shall not be assigned by the employer to work  
35 other than the available work described without the worker's written  
36 consent, or without prior review and approval by the worker's  
37 physician.

1 (c) If the worker returns to work under this subsection (4), any  
2 employee health and welfare benefits that the worker was receiving at  
3 the time of injury shall continue or be resumed at the level provided  
4 at the time of injury. Such benefits shall not be continued or resumed  
5 if to do so is inconsistent with the terms of the benefit program, or  
6 with the terms of the collective bargaining agreement currently in  
7 force.

8 (d) In the event of any dispute as to the worker's ability to  
9 perform the available work offered by the employer, the department  
10 shall make the final determination.

11 (5) No worker shall receive compensation for or during the day on  
12 which injury was received or the three days following the same, unless  
13 his or her disability shall continue for a period of fourteen  
14 consecutive calendar days from date of injury: PROVIDED, That attempts  
15 to return to work in the first fourteen days following the injury shall  
16 not serve to break the continuity of the period of disability if the  
17 disability continues fourteen days after the injury occurs.

18 (6) Should a worker suffer a temporary total disability and should  
19 his or her employer at the time of the injury continue to pay him or  
20 her the wages which he or she was earning at the time of such injury,  
21 such injured worker shall not receive any payment provided in  
22 subsection (1) or (2) of this section during the period his or her  
23 employer shall so pay such wages.

24 (7) (~~In no event shall~~) (a) For claims with date of injury or  
25 manifestation of occupational disease before July 1, 2003, the monthly  
26 payments provided in this section may not exceed the applicable  
27 percentage of the average monthly wage in the state as computed under  
28 the provisions of RCW 51.08.018 as follows:

	AFTER	PERCENTAGE
	June 30, 1993	105%
	June 30, 1994	110%
	June 30, 1995	115%
	June 30, 1996	120%

29  
30  
31  
32  
33  
34 (b) For claims with date of injury or manifestation of occupational  
35 disease on or after July 1, 2003, but before June 30, 2004, the monthly  
36 payments provided in this subsection may not exceed one hundred twenty

1 percent of the average monthly wage in the state on June 30, 2003. For  
2 all claims with date of injury or manifestation of occupational disease  
3 on or after July 1, 2004, the monthly payments provided in this  
4 subsection may not exceed an amount determined by the department on  
5 June 30, 2003, and each June 30th thereafter, and applicable to claims  
6 with date of injury or manifestation of occupational disease occurring  
7 in the twelve-month period following the June 30th determination. The  
8 amount is determined by adjusting the June 30, 2003, amount for  
9 inflation on June 30, 2004. In subsequent years, the department shall  
10 adjust the amount applicable during the previous twelve-month period to  
11 account for inflation.

12 (8) If the supervisor of industrial insurance determines that the  
13 worker is voluntarily retired and is no longer attached to the work  
14 force, benefits shall not be paid under this section.

15 **Sec. 10.** RCW 51.32.095 and 1999 c 110 s 1 are each amended to read  
16 as follows:

17 (1) One of the primary purposes of this title is to enable the  
18 injured worker to become employable at gainful employment. To this  
19 end, the department or self-insurers shall utilize the services of  
20 individuals and organizations, public or private, whose experience,  
21 training, and interests in vocational rehabilitation and retraining  
22 qualify them to lend expert assistance to the supervisor of industrial  
23 insurance in such programs of vocational rehabilitation as may be  
24 reasonable to make the worker employable consistent with his or her  
25 physical and mental status. Where, after evaluation and recommendation  
26 by such individuals or organizations and prior to final evaluation of  
27 the worker's permanent disability and in the sole opinion of the  
28 supervisor or supervisor's designee, whether or not medical treatment  
29 has been concluded, vocational rehabilitation is both necessary and  
30 likely to enable the injured worker to become employable at gainful  
31 employment, the supervisor or supervisor's designee may, in his or her  
32 sole discretion, pay or, if the employer is a self-insurer, direct the  
33 self-insurer to pay the cost as provided in subsection (3) of this  
34 section.

35 (2) When in the sole discretion of the supervisor or the  
36 supervisor's designee vocational rehabilitation is both necessary and

1 likely to make the worker employable at gainful employment, then the  
2 following order of priorities shall be used:

3 (a) Return to the previous job with the same employer;

4 (b) Modification of the previous job with the same employer  
5 including transitional return to work;

6 (c) A new job with the same employer in keeping with any  
7 limitations or restrictions;

8 (d) Modification of a new job with the same employer including  
9 transitional return to work;

10 (e) Modification of the previous job with a new employer;

11 (f) A new job with a new employer or self-employment based upon  
12 transferable skills;

13 (g) Modification of a new job with a new employer;

14 (h) A new job with a new employer or self-employment involving on-  
15 the-job training;

16 (i) Short-term retraining and job placement.

17 (3)(a) Except as provided in (b) of this subsection, costs for  
18 vocational rehabilitation benefits allowed by the supervisor or  
19 supervisor's designee under subsection (1) of this section may include  
20 the cost of books, tuition, fees, supplies, equipment, transportation,  
21 child or dependent care, and other necessary expenses for any such  
22 worker in an amount not to exceed three thousand dollars in any fifty-  
23 two week period (~~((except as authorized by RCW 51.60.060))~~), and the cost  
24 of continuing the temporary total disability compensation under RCW  
25 51.32.090 while the worker is actively and successfully undergoing a  
26 formal program of vocational rehabilitation.

27 (b) Beginning with vocational rehabilitation plans approved on or  
28 after July 1, 1999, costs for vocational rehabilitation benefits  
29 allowed by the supervisor or supervisor's designee under subsection (1)  
30 of this section may include the cost of books, tuition, fees, supplies,  
31 equipment, child or dependent care, and other necessary expenses for  
32 any such worker in an amount not to exceed (~~((four))~~) five thousand  
33 dollars in any fifty-two week period (~~((except as authorized by RCW  
34 51.60.060))~~), and the cost of transportation and continuing the  
35 temporary total disability compensation under RCW 51.32.090 while the  
36 worker is actively and successfully undergoing a formal program of  
37 vocational rehabilitation.

1 (c) The expenses allowed under (a) or (b) of this subsection may  
2 include training fees for on-the-job training and the cost of  
3 furnishing tools and other equipment necessary for self-employment or  
4 reemployment. However, compensation or payment of retraining with job  
5 placement expenses under (a) or (b) of this subsection may not be  
6 authorized for a period of more than fifty-two weeks, except that such  
7 period may, in the sole discretion of the supervisor after his or her  
8 review, be extended for an additional fifty-two weeks or portion  
9 thereof by written order of the supervisor.

10 (d) In cases where the worker is required to reside away from his  
11 or her customary residence, the reasonable cost of board and lodging  
12 shall also be paid.

13 (e) Costs paid under this subsection shall be chargeable to the  
14 employer's cost experience or shall be paid by the self-insurer as the  
15 case may be.

16 (4) In addition to the vocational rehabilitation expenditures  
17 provided for under subsection (3) of this section, an additional five  
18 thousand dollars may, upon authorization of the supervisor or the  
19 supervisor's designee, be expended for: (a) Accommodations for an  
20 injured worker that are medically necessary for the worker to  
21 participate in an approved retraining plan; and (b) accommodations  
22 necessary to perform the essential functions of an occupation in which  
23 an injured worker is seeking employment, consistent with the retraining  
24 plan or the recommendations of a vocational evaluation. The injured  
25 worker's attending physician must verify the necessity of the  
26 modifications or accommodations. The total expenditures authorized in  
27 this subsection and the expenditures authorized under RCW 51.32.250  
28 shall not exceed five thousand dollars.

29 (5) The department shall establish criteria to monitor the quality  
30 and effectiveness of rehabilitation services provided by the  
31 individuals and organizations used under subsection (1) of this  
32 section. The state fund shall make referrals for vocational  
33 rehabilitation services based on these performance criteria.

34 (6) The department shall engage in, where feasible and cost-  
35 effective, a cooperative program with the state employment security  
36 department to provide job placement services under this section.

37 (7) The benefits in this section shall be provided for the injured  
38 workers of self-insured employers. Self-insurers shall report both

1 benefits provided and benefits denied under this section in the manner  
2 prescribed by the department by rule adopted under chapter 34.05 RCW.  
3 The director may, in his or her sole discretion and upon his or her own  
4 initiative or at any time that a dispute arises under this section,  
5 promptly make such inquiries as circumstances require and take such  
6 other action as he or she considers will properly determine the matter  
7 and protect the rights of the parties.

8 (8) Except as otherwise provided in this section, the benefits  
9 provided for in this section are available to any otherwise eligible  
10 worker regardless of the date of industrial injury. However, claims  
11 shall not be reopened solely for vocational rehabilitation purposes.

12 **Sec. 11.** RCW 51.36.020 and 1999 c 395 s 1 are each amended to read  
13 as follows:

14 (1) When the injury to any worker is so serious as to require his  
15 or her being taken from the place of injury to a place of treatment,  
16 his or her employer shall, at the expense of the medical aid fund, or  
17 self-insurer, as the case may be, furnish transportation to the nearest  
18 place of proper treatment.

19 (2) Every worker whose injury results in the loss of one or more  
20 limbs or eyes shall be provided with proper artificial substitutes and  
21 every worker, who suffers an injury to an eye producing an error of  
22 refraction, shall be once provided proper and properly equipped lenses  
23 to correct such error of refraction and his or her disability rating  
24 shall be based upon the loss of sight before correction.

25 (3) Every worker whose accident results in damage to or destruction  
26 of an artificial limb, eye, or tooth, shall have same repaired or  
27 replaced.

28 (4) Every worker whose hearing aid or eyeglasses or lenses are  
29 damaged, destroyed, or lost as a result of an industrial accident shall  
30 have the same restored or replaced. The department or self-insurer  
31 shall be liable only for the cost of restoring damaged hearing aids or  
32 eyeglasses to their condition at the time of the accident.

33 (5) All mechanical appliances necessary in the treatment of an  
34 injured worker, such as braces, belts, casts, and crutches, shall be  
35 provided and all mechanical appliances required as permanent equipment  
36 after treatment has been completed shall continue to be provided or

1 replaced without regard to the date of injury or date treatment was  
2 completed, notwithstanding any other provision of law.

3 (6) A worker, whose injury is of such short duration as to bring  
4 him or her within the time limit provisions of RCW 51.32.090, shall  
5 nevertheless receive during the omitted period medical, surgical, and  
6 hospital care and service and transportation under the provisions of  
7 this chapter.

8 (7) Whenever in the sole discretion of the supervisor it is  
9 reasonable and necessary to provide residence modifications necessary  
10 to meet the needs and requirements of the worker who has sustained  
11 catastrophic injury, the department or self-insurer may be ordered to  
12 pay an amount determined as follows:

13 (a) For claims with date of injury or manifestation of occupational  
14 disease before July 1, 2003, the amount may not ((~~to~~)) exceed the  
15 state's average annual wage for one year as determined under RCW  
16 50.04.355(~~(, as now existing or hereafter amended,)~~) toward the cost of  
17 such modifications or construction. ((~~Such~~))

18 (b) For claims with date of injury or manifestation of occupational  
19 disease on or after July 1, 2003, but before June 30, 2004, the amount  
20 provided for in this subsection may not exceed one hundred twenty  
21 percent of the average monthly wage in the state on June 30, 2003. For  
22 all claims with date of injury or manifestation of occupational disease  
23 on or after July 1, 2004, the amount provided in this subsection may  
24 not exceed an amount determined by the department on June 30, 2003, and  
25 each June 30th thereafter, and applicable to claims with date of injury  
26 or manifestation of occupational disease occurring in the twelve-month  
27 period following the June 30th determination. The amount is determined  
28 by adjusting the June 30, 2003, amount for inflation on June 30, 2004.  
29 In subsequent years, the department shall adjust the amount applicable  
30 during the previous twelve-month period to account for inflation.  
31 Payment shall ((~~only~~)) be made under this subsection only for the  
32 construction or modification of a residence in which the injured worker  
33 resides. Only one residence of any worker may be modified or  
34 constructed under this subsection, although the supervisor may order  
35 more than one payment for any one home, up to the maximum amount  
36 permitted by this section.

37 (8)(a) Whenever in the sole discretion of the supervisor it is  
38 reasonable and necessary to modify a motor vehicle owned by a worker

1 who has become an amputee or becomes paralyzed because of an industrial  
2 injury, the supervisor may pay or order a self-insurer to pay as  
3 follows:

4 (i) For claims with date of injury or manifestation of occupational  
5 disease before July 1, 2003, up to fifty percent of the state's average  
6 annual wage for one year, as determined under RCW 50.04.355(~~, to be~~  
7 paid by the department or self-insurer)) toward the costs thereof.

8 (ii) For claims with date of injury or manifestation of  
9 occupational disease on or after July 1, 2003, but before June 30,  
10 2004, the amount will be up to fifty percent of the state's average  
11 annual wage as of June 30, 2003, adjusted for inflation. For all  
12 claims with date of injury or manifestation of occupational disease on  
13 or after July 1, 2004, the amount provided in this subsection may not  
14 exceed an amount determined by the department on June 30, 2003, and  
15 each June 30th thereafter, and applicable to claims with date of injury  
16 or manifestation of occupational disease occurring in the twelve-month  
17 period following the June 30th determination. The amount is determined  
18 by adjusting the June 30, 2003, amount for inflation on June 30, 2004.  
19 In subsequent years, the department shall adjust the amount applicable  
20 during the previous twelve-month period to account for inflation.

21 (b) In the sole discretion of the supervisor after his or her  
22 review, the amount paid under this subsection may be increased by no  
23 more than four thousand dollars by written order of the supervisor.

24 (9) The benefits provided by subsections (7) and (8) of this  
25 section are available to any otherwise eligible worker regardless of  
26 the date of industrial injury.

27 NEW SECTION. Sec. 12. A new section is added to chapter 51.08 RCW  
28 to read as follows:

29 The department may adopt rules necessary to implement section 2 of  
30 this act.

32 to read as follows:

34 this act.
