36 **Sec. 3.** RCW 74.14C.070 and 1995 c 311 s 11 are each amended to
37 read as follows:

1 The secretary of social and health services, or the secretary's
2 regional designee, may transfer funds appropriated for foster care
3 services to purchase preservation services and other preventive
4 services for children at imminent risk of out-of-home placement or who
5 face a substantial likelihood of out-of-home placement. This transfer
6 may be made in those regions that lower foster care expenditures
7 through efficient use of preservation services and permanency planning
8 efforts. The transfer shall be equivalent to the amount of reduced
9 foster care expenditures and shall be made in accordance with the
10 provisions of this chapter and with the approval of the office of
11 financial management. The ((~~secretary~~)) department shall present an

27 **Sec. 4.** RCW 26.44.030 and 1999 c 267 s 20 and 1999 c 176 s 30 are
28 each reenacted and amended to read as follows:

29 (1)(a) When any practitioner, county coroner or medical examiner,
30 law enforcement officer, professional school personnel, registered or
31 licensed nurse, social service counselor, psychologist, pharmacist,
32 licensed or certified child care providers or their employees, employee
33 of the department, juvenile probation officer, placement and liaison
34 specialist, responsible living skills program staff, HOPE center staff,
35 or state family and children's ombudsman or any volunteer in the
36 ombudsman's office has reasonable cause to believe that a child has

1 suffered abuse or neglect, he or she shall report such incident, or
2 cause a report to be made, to the proper law enforcement agency or to
3 the department as provided in RCW 26.44.040.

4 (b) The reporting requirement also applies to department of
5 corrections personnel who, in the course of their employment, observe
6 offenders or the children with whom the offenders are in contact. If,
7 as a result of observations or information received in the course of
8 his or her employment, any department of corrections personnel has
9 reasonable cause to believe that a child has suffered abuse or neglect,
10 he or she shall report the incident, or cause a report to be made, to
11 the proper law enforcement agency or to the department as provided in
12 RCW 26.44.040.

13 (c) The reporting requirement shall also apply to any adult who has
14 reasonable cause to believe that a child who resides with them, has
15 suffered severe abuse, and is able or capable of making a report. For
16 the purposes of this subsection, "severe abuse" means any of the
17 following: Any single act of abuse that causes physical trauma of
18 sufficient severity that, if left untreated, could cause death; any
19 single act of sexual abuse that causes significant bleeding, deep
20 bruising, or significant external or internal swelling; or more than
21 one act of physical abuse, each of which causes bleeding, deep
22 bruising, significant external or internal swelling, bone fracture, or
23 unconsciousness.

24 (d) The report must be made at the first opportunity, but in no
25 case longer than forty-eight hours after there is reasonable cause to
26 believe that the child has suffered abuse or neglect. The report must
27 include the identity of the accused if known.

28 (2) The reporting requirement of subsection (1) of this section
29 does not apply to the discovery of abuse or neglect that occurred
30 during childhood if it is discovered after the child has become an
31 adult. However, if there is reasonable cause to believe other children
32 are or may be at risk of abuse or neglect by the accused, the reporting
33 requirement of subsection (1) of this section does apply.

34 (3) Any other person who has reasonable cause to believe that a
35 child has suffered abuse or neglect may report such incident to the
36 proper law enforcement agency or to the department of social and health
37 services as provided in RCW 26.44.040.

1 (4) The department, upon receiving a report of an incident of
2 alleged abuse or neglect pursuant to this chapter, involving a child
3 who has died or has had physical injury or injuries inflicted upon him
4 or her other than by accidental means or who has been subjected to
5 alleged sexual abuse, shall report such incident to the proper law
6 enforcement agency. In emergency cases, where the child's welfare is
7 endangered, the department shall notify the proper law enforcement
8 agency within twenty-four hours after a report is received by the
9 department. In all other cases, the department shall notify the law
10 enforcement agency within seventy-two hours after a report is received
11 by the department. If the department makes an oral report, a written
12 report must also be made to the proper law enforcement agency within
13 five days thereafter.

14 (5) Any law enforcement agency receiving a report of an incident of
15 alleged abuse or neglect pursuant to this chapter, involving a child
16 who has died or has had physical injury or injuries inflicted upon him
17 or her other than by accidental means, or who has been subjected to
18 alleged sexual abuse, shall report such incident in writing as provided
19 in RCW 26.44.040 to the proper county prosecutor or city attorney for
20 appropriate action whenever the law enforcement agency's investigation
21 reveals that a crime may have been committed. The law enforcement
22 agency shall also notify the department of all reports received and the
23 law enforcement agency's disposition of them. In emergency cases,
24 where the child's welfare is endangered, the law enforcement agency
25 shall notify the department within twenty-four hours. In all other
26 cases, the law enforcement agency shall notify the department within
27 seventy-two hours after a report is received by the law enforcement
28 agency.

29 (6) Any county prosecutor or city attorney receiving a report under
30 subsection (5) of this section shall notify the victim, any persons the
31 victim requests, and the local office of the department, of the
32 decision to charge or decline to charge a crime, within five days of
33 making the decision.

34 (7) The department may conduct ongoing case planning and
35 consultation with those persons or agencies required to report under
36 this section, with consultants designated by the department, and with
37 designated representatives of Washington Indian tribes if the client
38 information exchanged is pertinent to cases currently receiving child

1 protective services. Upon request, the department shall conduct such
2 planning and consultation with those persons required to report under
3 this section if the department determines it is in the best interests
4 of the child. Information considered privileged by statute and not
5 directly related to reports required by this section must not be
6 divulged without a valid written waiver of the privilege.

7 (8) Any case referred to the department by a physician licensed
8 under chapter 18.57 or 18.71 RCW on the basis of an expert medical
9 opinion that child abuse, neglect, or sexual assault has occurred and
10 that the child's safety will be seriously endangered if returned home,
11 the department shall file a dependency petition unless a second
12 licensed physician of the parents' choice believes that such expert
13 medical opinion is incorrect. If the parents fail to designate a
14 second physician, the department may make the selection. If a
15 physician finds that a child has suffered abuse or neglect but that
16 such abuse or neglect does not constitute imminent danger to the
17 child's health or safety, and the department agrees with the
18 physician's assessment, the child may be left in the parents' home
19 while the department proceeds with reasonable efforts to remedy
20 parenting deficiencies.

21 (9) Persons or agencies exchanging information under subsection (7)
22 of this section shall not further disseminate or release the
23 information except as authorized by state or federal statute.
24 Violation of this subsection is a misdemeanor.

25 (10) Upon receiving reports of alleged abuse or neglect, the
26 department or law enforcement agency may interview children. The
27 interviews may be conducted on school premises, at day-care facilities,
28 at the child's home, or at other suitable locations outside of the
29 presence of parents. Parental notification of the interview must occur
30 at the earliest possible point in the investigation that will not
31 jeopardize the safety or protection of the child or the course of the
32 investigation. Prior to commencing the interview the department or law
33 enforcement agency shall determine whether the child wishes a third
34 party to be present for the interview and, if so, shall make reasonable
35 efforts to accommodate the child's wishes. Unless the child objects,
36 the department or law enforcement agency shall make reasonable efforts
37 to include a third party in any interview so long as the presence of
38 the third party will not jeopardize the course of the investigation.

1 (11) Upon receiving a report of alleged child abuse and neglect,
2 the department or investigating law enforcement agency shall have
3 access to all relevant records of the child in the possession of
4 mandated reporters and their employees.

5 (12) The department shall maintain investigation records and
6 conduct timely and periodic reviews of all cases constituting abuse and
7 neglect. The department shall maintain a log of screened-out
8 nonabusive cases.

9 (13) The department shall use a risk assessment process when
10 investigating alleged child abuse and neglect referrals. The
11 department shall present the risk factors at all hearings in which the
12 placement of a dependent child is an issue. Substance abuse must be a
13 risk factor. The department shall, within funds appropriated for this
14 purpose, offer enhanced community-based services to persons who are
15 determined not to require further state intervention.

16 ~~((The department shall provide annual reports to the legislature on
17 the effectiveness of the risk assessment process.))~~

18 (14) Upon receipt of a report of alleged abuse or neglect the law
19 enforcement agency may arrange to interview the person making the
20 report and any collateral sources to determine if any malice is
21 involved in the reporting.

22 (15) The department shall make reasonable efforts to learn the
23 name, address, and telephone number of each person making a report of
24 abuse or neglect under this section. The department shall provide
25 assurances of appropriate confidentiality of the identification of
26 persons reporting under this section. If the department is unable to
27 learn the information required under this subsection, the department
28 shall only investigate cases in which: (a) The department believes
29 there is a serious threat of substantial harm to the child; (b) the
30 report indicates conduct involving a criminal offense that has, or is
31 about to occur, in which the child is the victim; or (c) the department
32 has, after investigation, a report of abuse or neglect that has been
33 founded with regard to a member of the household within three years of
34 receipt of the referral.

35 NEW SECTION. **Sec. 5.** The following acts or parts of acts are each
36 repealed:

2 birth control services, information, and counseling--Report) and 1998
