---

State of Washington

58th Legislature

2003 Regular Session

By Senators Honeyford and Keiser

Read first time 03/27/2003. Referred to Committee on Commerce & Trade.

1 AN ACT Relating to unemployment insurance; and creating a new  
2 section.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 NEW SECTION. **Sec. 1.** The legislature finds that the unemployment  
5 insurance system must continue to fulfill its fundamental purposes of  
6 providing workers with partial wage replacement when they are  
7 unemployed through no fault of their own, and providing communities  
8 with economic stability to counter the effects of an economic downturn.  
9 The legislature also finds that the system should be modified to  
10 eliminate certain inequities in the unemployment insurance system and  
11 that changes should make the system more fair, predictable, and stable.
