Brief Description: Revising provisions relating to attempting to elude a pursuing police vehicle.

**HB 1076 - DIGEST**

(SUBSTITUTED FOR - SEE 1ST SUB)

Declares that it is an affirmative defense to the provisions of RCW 46.61.024 which must be established by a preponderance of the evidence that: (1) A reasonable person would not believe that the signal to stop was given by a police officer; and (2) driving after the signal to stop was reasonable under the circumstances.
