Brief Description: Creating the prescription drug quality improvement and purchasing board.

HB 1091 - DIGEST

Declares an intent to develop a comprehensive prescription drug education and utilization system in Washington state that will ensure best prescribing practices and pharmaceutical use, reduce administrative burdens on providers, increase consumer understanding of and compliance with appropriate use of prescription drugs, help to control increases in consumer and state health care spending, and improve prescription drug purchasing through a sound evidence-based process that evaluates the therapeutic value and cost-effectiveness of prescription drugs.
