Brief Description: Siting secure community transition facilities away from campgrounds, youth camps, and private residences.

HB 1107 - DIGEST

Provides that, in no case may a secure community transition facility be sited: (1) Adjacent to, immediately across a street or parking lot from, or within the line of sight of a risk potential activity or facility in existence at the time a site is listed for consideration; or

(2) Within twenty-five hundred feet of a public or private campground or youth camp.

Declares that "within the line of sight" means that it is possible to reasonably visually distinguish and recognize individuals.

Does not apply to the secure community transition facility established pursuant to RCW 71.09.250(1).
