Brief Description: Creating a citizen oversight panel to measure performance of the state's transportation system.

HB 1120 - DIGEST

(AS _____ OF HOUSE 2ND READING 2/03/03)

Recognizes the need to strengthen accountability for the performance of the state's transportation system. A critical component is the participation of the citizens in measuring transportation system performance against benchmarks established in chapter 5, Laws of 2002.

Creates a citizen oversight panel to involve and strengthen citizen oversight of the state's transportation system.
