Brief Description: Designating veterans' history awareness month.

HB 1124 - DIGEST

(AS _____ OF HOUSE 2ND READING 2/24/03)

Declares that November of each year will be known as veterans' history awareness month.

Provides that the week in November in which veterans' day occurs is designated as a time for people of this state to celebrate the contributions to the state by veterans.

Encourages educational institutions, public entities, and private organizations to designate time for appropriate activities in commemoration of the contributions of America's veterans.
