Brief Description: Providing for reporting of prescription drug pricing.

**HB 1181 - DIGEST**

Requires that a pharmaceutical manufacturing company, including a pharmaceutical manufacturing company who manufactures a generic drug that is sold in this state, shall file with the administrator, upon the request of the administrator: (1) The average manufacturer price for the requested prescription drug or drugs; and

(2) The price that each wholesaler in this state pays the manufacturer to purchase the requested prescription drug or drugs.
