Brief Description: Hauling construction, demolition, and land clearing debris.

HB 1182 - DIGEST

Declares that chapter 81.77 RCW does not apply to persons registered under chapter 18.27 RCW who haul construction, demolition, and land clearing debris if (1) debris is hauled in containers of not less than ten cubic yards in volume and (2) hauling of construction, demolition, or land clearing debris occurs no more than twenty times per year for each customer.
