Brief Description: Limiting the liability of landowners for unintentional injuries incurred while rock climbing.

HB 1195 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Finds that it is important to the promotion of rock climbing opportunities to specifically include rock climbing as one of the recreational activities that are included in RCW 4.24.210. By including rock climbing in RCW 4.24.210, the legislature intends merely to provide assurance to the owners of property suitable for this type of recreation, and does not intend to limit the application of RCW 4.24.210 to other types of recreation.
