HB 1698-S - DIGEST

(SUBSTITUTED FOR - SEE 2ND SUB)

Provides that, beginning January 1, 2007, and updated every four years thereafter, the interagency committee for outdoor recreation shall contract with an independent entity to study the source and make recommendations on the distribution and use of funds provided to off-road vehicle and nonhighway road recreational activities under this act. The study must determine the relative portion of the motor vehicle fuel tax revenues that are attributable to vehicles operating off-road or on nonhighway roads for recreational purposes as provided in this act. The study must include the types of vehicles and location of their use, the types of recreational activities, the types of recreational facilities used, and the recreational use of forest roads relative to other, nonrecreational uses.
