Brief Description: Concerning the cost of a catch record card.

HB 1725 - DIGEST

(SUBSTITUTED FOR - SEE 2ND SUB)

Provides that catch record cards necessary for proper management of the state's food fish and game fish species and shellfish resources shall be administered under rules adopted by the commission and issued at no charge for the initial catch record card and ten dollars for each subsequent catch record card. A duplicate catch record costs ten dollars. The funds received from the sale of catch record cards must be deposited into the wildlife fund.
