

1737-S

Sponsor(s): House Committee on Finance (originally sponsored by Representatives McIntire, Morris, Conway and Simpson)

Brief Description: Repealing outdated and unused tax preferences.

**HB 1737-S - DIGEST**

(AS OF HOUSE 2ND READING 3/18/03)

Finds that a number of tax exemptions, deductions, credits, and other preferences have outlived their usefulness. State records show no taxpayers have claimed relief under these tax preferences in recent years. The intent of this act is to update and simplify the tax statutes by repealing these outdated tax preferences.
