Sponsor(s): House Committee on Commerce & Labor (originally sponsored by Representatives Conway and Chandler)

Brief Description: Exempting the installation, maintenance, and repair of certain medical devices from electrician licensing requirements.

HB 1848-S - DIGEST

(DIGEST AS ENACTED)

Declares that the installation, maintenance, or repair of a medical device deemed in compliance with chapter 19.28 RCW is exempt from licensing requirements under RCW 19.28.091, certification requirements under RCW 19.28.161, and inspection and permitting requirements under RCW 19.28.101.

Does not include work providing electrical feeds into the power distribution unit or installation of conduits and raceways. This exemption covers only those factory engineers or third-party service companies with equivalent training who are qualified to perform such service.
