Brief Description: Allowing operating agency members to purchase energy from the agency. Revised for 1st Substitute: Allowing cities and public utility districts to purchase energy, including the capability to produce energy, from the agency.

HB 1854 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Provides that a city or district that is a member of an operating agency may contract to buy from the operating agency electric power and energy required for its present or future requirements including the capacity and output of one or more specified projects.
