Brief Description: Providing students opportunities in the visual and performing arts.

HB 2084 - DIGEST

Declares an intent that funding for student assessments in the arts be redirected to the local level on a per pupil basis for art materials and resources to support high quality art experiences for students in grades kindergarten through twelve, and that funding for Washington assessment of student learning arts assessments dedicated to test development as determined by the office of the superintendent of public instruction be redirected toward the development of a series of statewide juried performance-based annual competitions in the visual and performing arts for students in grades nine through twelve.
